This Side of Heaven Robert J. Priest,Alvaro L. Nieves,2007 Publisher description **Reading the Word of God in the Presence of God** Vern S. Poythress,2016-03-16 Biblical interpretation is typically viewed as concerned with understanding the human author s intended meaning However for Christians the Bible is first and foremost God s Word and must be understood in that light Helping Christians approach the Bible with God in mind this book sets forth a more nuanced approach to biblical interpretation that pays attention to both the human and divine origins of these sacred texts Whether it s reviewing the three basic steps of interpretation or emphasizing the importance of paying attention to the Christ centered character of both the Old and New Testaments this book is a much needed resource for the church as it wrestles to defend the authority of Scripture in our increasingly relativistic world **Knowing God's Word** Women of Faith,2005-04-13 Many women find reading the Scriptures to be a daunting prospect let alone actually studying them Questions arise Is studying the Bible different from reading it Why do we study God s Word How do you study God s Word Knowing God s Word will prepare
