The Diplomatic Lover

Dr. Badal W. Kariye

The Diplomatic Lover:

The Diplomatic Lover Elsie Lee, 1987-12-01 As a top translator for the British Embassy in Washington sophisticated Nonny Littauer was well versed in the languages of men but was sorely lacking in the language of love until York Deland strode into her life A spellbinding tale from a master of romantic suspense [The Diplomatic Lover](#) Elsie Lee, 1985-04-01

The Genius Lover Dr. Badal Kariye, BA, BSIT, MA, MBA & PhD, 2010-02-26 *The Genius Lover We Need Family* is a fictional romantic history which has covered many destinations in the United States of America This book has never been written by novelists because they primarily focus on a particular destination but I wrote this romantic novel based on fictional history in the United States of America and Africa but it has included many continental cultures and people If you read it then you will find it amazing *The Queen of Lovers "We Need You."* Dr. Badal W. Kariye, 2011-06-09 Preface I would like to tell you that the Queen of Lovers We need you is a fictional romantic novel based on multichannel travels for love and espionage in our world where people practice various lifestyles in love our Lord is The Most Gracious and The Most Merciful who made possible for us to interact and fall in love with each other Romance few people succeeded to keep their promises until one of them retires from sexual curiosity or dies It is very rare to meet your spouse as the government spymaster and if you didn't know before then you're highly at risk to be assassinated before you fizzle out her top level security clearance in some countries My Queen of lovers and I went to visit different continents such as Asia Australia Africa The Caribbean South America Parts of North America We've met a lot of multicultural and multiracial nationalities who committed to live and work for better democracy in love than their governments which my Queen of lovers has been spying on I couldn't handle the devilish stress of espionage in top secrets from the governments which have been opposite to the national and security interests of our beloved country within the nations of many nationalities Love in destiny or without destiny well taste it carefully and legally but when you fall in love with spymaster then you will always meet undetectable situations and anonymous hunters who can be anything with credentials from the government to cover up dirty jobs Don't be a victim of spymaster You better always ask before you make any relationship with somebody I love my Queen of lovers finally and you taught me a lot in governmental secrecy and how a spymaster acts as a romantic lover to use my linguistic abilities during secretive missions in various continents I love you my Queen [The Book Lover's Tale](#) Ivo Stourton, 2011-06-17 He collects books Interior designer for the rich and powerful Matt de Voy lends his tasteful eye to the households of his wealthy female clients He also advises on which books should adorn their shelves His deep knowledge of literature becomes his sharpest tool of seduction He collects women Despite himself Matt begins to fall in love with one of his most beautiful clients Claudia She is modest clever and married But is he a murderer Matt's fixation on the unavailable Claudia threatens to drive him over the edge Set at the cusp of the City of London's financial meltdown THE BOOK LOVER'S TALE opens a door into the extravagant world of the filthy rich the smart and the debauched This chilling encounter between old money and new between the real world and

the imagined is also a moving portrayal of a confused hero's battle to know himself **The Sonnet Lover** Carol Goodman, 2007-06-12 For how thy memory has lingered on In spite of cruellest winter's drear and howl By inner mirror seen I've dwelled upon I must confess my treachery most foul Did Shakespeare pen a series of passionate sonnets unknown to modern scholarship ardently praising a mysterious dark haired beauty This tantalizing question is raised in a letter to literature professor Rose Asher But the letter's author Rose's star pupil is not telling A troubled enigmatic young man he plunged to his death in front of the college's entire faculty an apparent suicide Determined to find the truth Rose journeys from New York to Italy back to the magnificent Tuscan villa where as an undergraduate she first fell in love La Civetta is a dreamlike place resplendent with the heady scent of lemon trees and the sunset's ochre wash across its bricks and cobbles Once there Rose finds her first love still in residence Torn between her mission and her rekindled feelings Rose becomes enmeshed in a treacherous tangle of secrets and scandal A folio containing what some believe to be one of Shakespeare's lost sonnets has vanished and literary immortality awaits whoever finds the manuscript as do a vast Italian estate and a Hollywood movie deal Uncertain whom she can trust and where she can turn Rose races against time and unseen enemies in a bid to find the missing masterpiece Lush lyrical and enthralling **The Sonnet Lover** vividly brings to life the Tuscan countryside and the fascinating world of the Renaissance poets Unmatched in her ability to evoke atmosphere and intrigue Carol Goodman delivers her most ambitious and satisfying work to date a seductive novel that skillfully propels its reader headlong to the final suspenseful page **A History Lover's Guide to Washington, DC** Alison Fortier, 2014-05-06
