The Divine Outline Of History Dispensations And The Church:

The Divine Outline of History R. B. Thieme, 1999 **Witnessing** R. B. Thieme, Jr., 1992-01-01 Witnessing is the declaration of the good news of salvation the Gospel of Jesus Christ to the unbelieving world But is this responsibility and privilege reserved solely for the pastor missionary and evangelist Definitely not Every believer is responsible for presenting the Gospel to a lost and dying world What do you tell unbelievers about Christ You must explain what He accomplished on the cross and how anyone can receive His incomparable gift Your guiding principle is faith alone in Christ alone You are the point of contact in the unbeliever s search for meaning and purpose in life Without faith in Christ and an eternal future ultimately his life is meaningless When a loved one friend or even stranger believes in Christ as Savior from your presentation of the Gospel you will experience the inexpressible reward of serving our Lord through witnessing **The Plan of God** R. B. Thieme, Jr., 2003-01-01 The Plan of God reveals God s provision for your salvation His purpose for your existence after salvation and the treasures He has waiting for your eternal future in heaven The moment you believe in Christ you immediately share His life and destiny But for you to attain the wonderful peace happiness and contentment God has planned for your life on earth you must learn Bible doctrine and grow to spiritual maturity The Bible communicates God s Word to you so absolute truth becomes the measure of your conscience the source of your thinking and the motivation of your life Empowered by the Holy Spirit and armed with Bible doctrine you can fulfill your destiny to glorify God You can receive the highest and best He has prepared for you Your consistent spiritual growth from Bible doctrine in your soul creates capacity for life for love for Christian service for blessing for happiness God has devised the design of the ages the perfect plan for you personally All you have to do is understand His gracious offer and seize the incomparable opportunity for a life of meaning purpose and definition *It Can Happen Here* George E. Lowe, 2001-03-21 **The Trinity** R. B. Thieme, Jr., 2003-01-01 The Trinity is a doctrine unique to Christianity No other faith religion sect or philosophy that advocates one God also proclaims that God is Three in One This apparent paradox does not mean there are three gods in one but that one God exists as three persons who are coequal coinfinite and coeternal all possessing the same essential nature God is one in essence but three in persons The Trinity is not abstract theology but a practical doctrine that you should comprehend Your understanding of the plan God the Father has designed for you illuminates your destiny in time and eternity Your understanding of the person and work of Jesus Christ illuminates your so great salvation Your understanding of the Holy Spirit affects your concept of living the Christian life Only by perceiving the true biblical perspective of the Trinity can you come to love God grow spiritually and fulfill your very own spiritual life *The Angelic Conflict* R. B. Thieme, Jr., 2012-01-01 The Angelic Conflict rages around us This is not a world war This is a war beyond the world an invisible warfare between the forces of Satan and the forces of God Ultimately God will win Long before the advent of human history Satan arrogantly rebelled against his Creator He wanted to make himself like the Most High and recruited one third of the angels to follow

him God justly condemned Satan and his fallen angels to spend eternity in the lake of fire Satan appealed the sentence claiming unfairness questioning how a loving God could cast His creatures into hell Planet Earth is now the battleground where Satan seeks to outmaneuver God prove the judgment unfair and foil the execution of his sentence Satan will not suffer defeat without an intense struggle God created man to resolve this angelic conflict Human volition is the focal point of the firestorm Will man choose God's grace plan of salvation or follow the arrogant system of Satan Through the freewill decisions of mankind God proves to Satan His perfect justice and love again and again As believers it is imperative we understand this spiritual warfare that surrounds us Satan uses every ruse at his command to derail and discredit those who are in Christ For our defense God has provided an overwhelming advantage in a powerful suit of spiritual armor With it we can withstand the flaming missiles of the evil one and become heroes in the invisible war God is glorified as we lock shields and stand firm on His power and Word

God the Holy Spirit vs. The Sin Nature R. B. Thieme, Jr.,2013-01-01 God the Holy Spirit vs The Sin Nature is a ceaseless inner conflict Each Christian by his own volition determines who controls his life at any given moment The sin nature is inherent at birth As long as we live we retain this genetic distorter of our lives with the result that we cannot fulfill the plan of God Yet God's marvelous plan can be fulfilled Only the invisible ministry of God the Holy Spirit can execute the Christian way of life This book tells the dramatic story of Elijah in 1 Kings 19 After a powerful spiritual victory he flees in terror because of an empty threat against his life The spiritual hero becomes totally ineffective This Old Testament prophet vividly illustrates a principle that applies to every New Testament believer There is a vast difference between living under the control of the sin nature and leading a life of spiritual dynamics under the control of the Holy Spirit

The Seventy's Course in Theology; Second Year, Outline History of the Dispensations of the Gospel B. H.

Slave Market of Sin R. B. Thieme, Jr.,1994-01-01 We think of ourselves as free but we are born in an inescapable slavery bondage to sin As members of the human race we exist in a slave market of sin helpless to redeem ourselves We enter the world with a sin nature separated from God and powerless to establish a relationship with Him We have no way to emancipate ourselves from the captivity of our inherited depravity

However the gracious plan of God for mankind calls for a savior a redeemer the Lord Jesus Christ to purchase our freedom from the slave market Christ is the only Person qualified to make such a purchase The only requirement for eternal release from the slave market of sin is faith alone in Christ alone

Thieme's Bible Doctrine Dictionary R. B. Thieme, Jr.,2023-04-24 Bible doctrine is the absolute truth from God that reveals His character His standards and His infinitely superior wisdom For fifty three years Pastor R B Thieme Jr dedicated his life to teaching Bible doctrine He sought to clarify God's Word through innovative vocabulary categorical outlines and practical illustrations so that any believer could comprehend the majestic details of God's plan Now drawn from Thieme's personal notes and sermons Thieme's Bible Doctrine Dictionary presents

over eight hundred terms and related doctrines Biblical subjects ranging from the eternal Trinity to the fall and salvation of man to the Christian way of life are precisely defined explained and cross referenced *The Faith-Rest Life* R. B. Thieme, Jr.,2004-01-01 Faith Rest is the life of peace designed for you as a believer in the Lord Jesus Christ This life is characterized by a moment by moment tranquillity happiness and stability But how can you have this perfect rest when you are surrounded by pressure adversity and disaster God wants you to do only one thing trust Him Believe His Word Mix the promises from the Bible with faith If you trusted Him for the greatest thing He could ever provide salvation then you can trust Him for the lesser thing solutions to your problems When you use the faith rest technique you stand on the solid ground of the Word of God Bible doctrine becomes a living reality in every experience No matter what happens to you no matter how difficult your problems you have the peace of God which passes all understanding *Under God* Garry Wills,2007-09-25 One of our most distinguished political commentators author of Reagan s America offers a rich original look at why religion and politics will never be separate in the United States **Who Authorized You to Quit?** Rev. Roger W. Baker,2014-05-30 A book of dogma for schools colleges universities seminars religious denominations social agencies community activity centers and government agencies for an understanding of divine principles that lead Church Age believers into spiritual maternity of the super grace of Jesus Christ the King of kings and Lord of lords *The New Day Experience Part Ii* Daniel J. Coleman,2011-07-08 Daniels second new and exciting book *The New Day Experience Part II Using The Shield Of Protection* has a major impact on knowing what God did for us in His Son Jesus Christ The Book has major doctrines that will build the reader who wants to advance in their spiritual and natural life Daniel explains in his book the need to come out of ignorance by applying the doctrine that is learned by presenting the Word of God back to God through prayer because God honors His Word which is above His name Psalms 138 2 Daniel uses his past not to boast but to let the reader know that anything that they may go through in life they can still experience joy and forgiveness and continual blessings from God **Heathenism** R. B. Thieme, Jr.,2023-12-11 Heathenism answers the questions What about those who have never heard the good news of salvation What about primitive peoples who live far beyond the frontiers of civilization and speak in obscure languages What about those in any civilization or culture who have never had the chance to hear the Gospel God never overlooks the positive volition of anyone He provides abundant evidence by which every individual can become aware of His existence He overcomes every obstacle to disseminate the Gospel to those who seek Him No one is hidden from His grace His divine attributes guarantee the provision of Gospel information even to the remotest part of the earth **Prayer** R. B. Thieme, Jr.,2003-01-01 Prayer is the great weapon of the spiritual life Through prayer you have instant access to the throne room of God to communicate directly with God the Father But to pray effectively you must know how to pray God has established basic ground rules for you to follow Armed with these procedures you will be able to confidently approach the throne of grace and express your gratitude to God intercede on behalf of others and petition for your own personal needs God has

mandated you to pray without ceasing. Wielding the power of prevailing prayer, you have the opportunity to support those in need to participate in the ministries of pastors, missionaries, and evangelists to sustain and deliver the nation. God answers prayer in fantastic ways but always so that His will and plan might be fulfilled.

Divine Guidance R. B. Thieme, Jr., 1999-01-01. Divine Guidance is the doctrine of determining God's will for your life. God guides you by communicating His will through divine revelation. No believer can know or do the will of God apart from knowing the Word of God. The Bible reveals numerous mandates that universally declare what the will of God is and is not for every believer. The other intentions God has for your individual life that are not directly stated in Scripture must be determined from Bible doctrine in your soul. From the application of Bible doctrine, you will resolve what God wants you to think, what He wants you to do, and where He wants you to go. As the personal emissaries of the Lord Jesus Christ, you represent Him effectively after salvation only by obeying God's will for your life. Learning the mandates, categories, and mechanics of divine guidance gives you the basics for doing His will. As you continue to grow to spiritual maturity, you will become confident that you know God's will for your life at any time and under every circumstance.

Daniel's Fourth Kingdom Melvin L. Hawkins LLC, 2021-10-28. Although there is broad consensus among Bible prophecy scholars that the times of the gentiles will continue until the return of Jesus Christ, the century-old traditional interpretation holds that Daniel's fourth gentile kingdom, the Roman Empire, ceased to exist in AD 476 in the West at Rome and therefore must be revived politically in the beginning of the seven-year tribulation period. That prevailing viewpoint is obscuring a clear understanding of the continuing existence of the fourth kingdom as well as its fulfillment in history of important prophecies related to the end times. Peter forewarned about this potential interpretation problem in *The Theocratic Kingdom* (1884). Daniel's Fourth Kingdom 1 establishes that the divided Roman Empire still exists today and explains why that fact matters regarding the season of Christ's return. 2 respectfully questions the traditional interpretation. 3 exhorts the church to love not the temporal kingdoms of this world but instead to embrace her gospel-inspired Holy Spirit-empowered love-driven apolitical evangelical mission to share the gospel with all nations while expecting the possibly imminent pretribulation rapture. 4 invites all readers, believers and skeptics alike, to consider the relevance of the Bible concerning world history, current events, and the future.

King James Only Revised Dispensationalism David E. Walker, 2020-02-18. Most believers raised in churches that contend for the King James Bible as the infallible word of God are familiar with 2 Timothy 2:15 and the idea of dispensationalism. In fact, most Bible believers are so familiar with their Scofield Reference Bibles they can tell you which side of the page a certain passage is on from memory. For many Bible believers, dispensationalism as a theological system answers so-called problem passages that clearly teach salvation by means other than by grace through faith in the finished work of Jesus Christ. At the same time, many King James Only believers remain unsettled or unsure about the differences in salvation under the various dispensations. Their pastors may not emphasize or teach these distinctions, or they may have fallen prey to King James Only preachers and authors who teach just

the opposite Some of these authors have been teaching this faulty dispensational position for years while others have more recently modified this as their position In this booklet we will briefly trace the development of dispensationalism as it relates to salvation under the various dispensations We will show that the dispensationalism being taught by many King James Only preachers and authors is nothing more than a revised dispensational position rooted in Calvinism We will also dismantle the faulty premises of this revised position by addressing the major points and examining their books in light of the Book **The Barrier** R. B. Thieme, Jr.,2003-01-01 The Barrier is impassable and insurmountable No human being can break through this obstruction Mankind is born on the wrong side of the barrier hopelessly separated from any relationship with God God always knew that man through negative volition would alienate himself from his Creator Consequently in eternity past God the Father designed a perfect plan to remove the barrier He sent His Son Jesus Christ to be judged for our sins on the cross to bring man from enmity to peace with God Even though Jesus Christ removed the barrier your relationship with God depends on you Only one issue remains What do you think of Jesus Christ Only one decision separates you from God If you believe in Christ you cross the line of separation and receive God s gift of eternal life
