from reading many Books the Authors of which pretend so much to the knowledge of the Creator and Creation If God ever appeared in any man he appeared in him as it appears by this Book That a man who had not the benefit of his Ancestors knowledge being as I said before The first inventor of the Art of Communicating Knowledge to Posterity by writing should be so high a Divine and so deep a Philosopher seems to be a thing more of God than of Man and therefore it was the opinion of some That he came from Heaven not born upon Earth Goropius Becanus There is contained in this Book that true Philosophy without which it is impossible ever to attain to the height and exactness of Piety and Religion According to this Philosophy I call him a Philosopher that shall learn and study the things that are and how they are ordered and governed and by whom and for what cause or to what end and he that doth so will acknowledge thanks to and admire the Omnipotent Creator Preserver and Director of all these things And he that shall be thus truly thankful may truly be called Pious and Religious and he that is Religious shall more and more know where and what the Truth is And learning that he shall yet be more and more Religious
