THE WILD CHILD Judith Bowen, 2012-03-15 A man with a wild child A secret child When Eva Haines first comes to remote and supposedly deserted Liberty Island she has the uncanny feeling that someone s watching her and she s right A small wild looking child with a huge black dog has been following her around Eva who s spending a few weeks on the island to deal with an elderly relative s estate is puzzled Who is this little girl Where did she come from Eva finds out soon enough Fanny is the daughter of the reclusive Silas Lord But once she learns this Eva only has more questions Why are Silas and his daughter hiding out on Liberty Island What secret is Silas keeping about this child he obviously adores And why is Eva falling in love with such a mysterious man A Man of Honor: the Life and Death of Yuba Kasai Muzaffar A. Isani, 2016-05-20 Yuba a lowly butcher from the backwaters of society leaves his village in the boondocks and moves to the big city However the move is not of his free will He has committed an uncommon act that creates the compulsion to relocate an act precipitated by inherent flaws of character In any event the move proves to be auspicious as he reaches the pinnacle of success acquiring great wealth and a position of high respect in society In the meantime his past has remained concealed through his long ascent during which period he has also managed to suppress the more vulgar traits of his character Both the uncommon act of his past and the vulgar traits of his character surface at an inopportune time in his life with catastrophic results The tragic story of a powerful man ruined by innate flaws of character is not only a fascinating indictment of the frailty of human disposition it also lays bare the extreme ambiguity of communal values in certain societies The premise is simple but thought provoking Dr. Le Baron and his daughter Mrs. Jane Austin, 1890
