Cold Blooded Murder Brad Hunter, 2021-07-08 Murder is the most vile crime known to man It can be triggered by love or money or sex Those are the three big ticket items for homicide But people are strange They will kill for the most obscure and ridiculous of reasons In 30 years covering murder I have discovered each one has its own flavour Cops and friends can be stunned by the evil lurking within a seemingly ordinary man or woman In this collection of some of the most memorable cases I've reported on there are serial killers rich kid monsters football stars and wives in pursuit of hormone charged hijinks The very rich and the very poor Successful lawyers and hotel executives Southern belles who could melt butter with a come hither wink and a sexy drawl Daddy's girls with gleaming smiles good marks and possessed by the devil These are stories of American crimes and they stretch from coast to coast You will find cheating husbands and wives so desperate for love that

they'll kill for it When the mob kills it's never personal It's strictly business With the murderers in *Cold Blooded Murder* it's ALWAYS personal *Creative Listening* Cheryl Cutler, Randall Huntsberry, 2007-10-05 What does it take to overcome fear In a word listening Learning to quiet fear and listen three dimensionally to one's own inner voice to others and to the environment is the practice Cutler and Huntsberry call creative listening This book tells the story of how the authors stumbled upon this discovery and how it can help people from all walks of life to live more creatively and fearlessly
