The Doctrine Of Regeneration:

The Doctrine of Regeneration Stephen Charnock,1840 *A General View of the Doctrine of Regeneration in Baptism*
Christopher Bethell,1839 *The Doctrine of Regeneration: Practically and Experimentally Unfolded in Five Discourses*
William Jowett (M.A.),1854 A general view of the doctrine of regeneration in baptism Christopher Bethell (bp. of
Bangor.),1836 *Considerations on the doctrine of regeneration in the sense in which that term is used by the Church of*
England Charles Daubeny,1816 *The Doctrine of Regeneration Practically Considered* Daniel Wilson,1817 DOCTRINE
OF REGENERATION. STEPHEN. CHARNOCK,2025 *"Born Again": A Portrait and Analysis of the Doctrine of Regeneration*
within Evangelical Protestantism Stephen J. Hamilton,2017-04-03 Stephen J Hamilton attempts to create a portrait of born
again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity
as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener
Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an
experience of presence in the individual believer In light of these analyses he then traces a general theological structure of
the born again understanding of regeneration including a catalogue of theological issues over which there is significant
disagreement in order to create a topography of born again theologies In the final section he applies these results to
contemporary conversion narratives of non theologians It is in such conversion narratives the author argues that theologians
can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians
Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and
the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the
present cultural and political situation in the USA pertaining to born again Christianity and argues against any
oversimplifications of the relationship between born again theologies culture and politics *The Doctrine of Regeneration,*
and Other Sermons Thomas Halliday,2011-10-11 Thomas Halliday is relatively little known by anyone in the Reformed
community today much less the Christian community This is a tragedy His sermons are beyond excellent They are
exegetically outstanding and practically powerful as Reformed sermons should be It is a sad providence that more of his
writings are not in print As a result of this first volume being reproduced for our day no doubt more of Halliday s works will
soon come to light Sufficient for today is this volume which contains a Memoir by Andrew Symington and seven theologically
rich sermons by Halliday which comprise important Christian doctrines the first and greatest commandment the doctrine of
regeneration the doctrine of perseverance of the saints the doctrine of God s sovereignty and other gems **The Doctrine**
of Regeneration Considered George Benjamin Sandford,1843
