

THE DOUGHBOYS

HEROES OF WWI

EXPERIENCE THE SAGA OF WWI
THROUGH RARE FILM FOOTAGE FOUND
IN THE GOVERNMENT ARCHIVES

On June 28, 1914 an assassin's bullet struck down the Austro-Hungarian Archduke Ferdinand in the Balkan capital of Sarajervo. One by one the nations of the European network declared war on one another, while America remained uninvolved.

But neutrality was short lived. On May 7, 1915 America's sentiment turned when German U-Boats torpedoed and sank the British steamer *Lusitania* claiming 124 American lives. Then, on April 2, 1917, President Wilson declared war and the *Doughboys* went into action.

See Rare Archival Footage On...

The Kaiser's Build-Up • German Submarine Warfare • America's Call to Arms • Airwar in Europe • Prisoners Of War • Victory in Europe and much more! Back home in New York, you'll experience the momentous victory celebration led by General Pershing. But this ominous peace time would only veil the coming events of an even greater war in less than a generation.

Eggleston, 2016-03-15 More than 8 000 men served in the Fifth Marine Regiment during World War I and the occupation of Germany Marine units were among the first to arrive in war-torn Europe in 1917 and they sustained greater casualties than other American units This book tells the story of the Devil Dogs in World War I and the years after through the recollections of veterans recorded over the past century The influenza epidemic that raged during the war is discussed An annotated roster of the regiment lists each Marine with service details provided where known *Bowker's Complete Video Directory*, 2000 *World War I and the Origins of U.S. Military Intelligence* James L. Hero on the Western Front Michael Kelly, 2018-08-30 They knew it was the end Weakened by four years of war the reality had finally dawned on the Germans that their armies could never stop the combined might of the Allied forces now bolstered by the fresh enthusiastic Americans who were now determined to be involved in the conflict that had engulfed the world The US effort in 1918 in what became known as the Hundred Days Offensive was focused on the Argonne Forest It was there that 1 200 000 men were deployed in what was to be the largest offensive in the United States military history It was in the fighting in the Argonne Forest that one of the most remarkable incidents in the entire First World War took place In October 1918 Corporal Alvin Cullum York single handedly captured 132 Germans and killed twenty one in a desperate fire fight York's battalion of the 328th Infantry Regiment had become pinned down by heavy machine gun and artillery fire Its commander sent Sergeant Bernard Early four non commissioned officers including the recently promoted Corporal York and thirteen privates to infiltrate the German positions and neutralise the machine guns The small American force came upon a large group of enemy troops having breakfast and these were taken prisoner They then came under fire from German machine guns which left eight men were killed or wounded and York as the senior NCO York and the survivors returned fire and silenced the enemy allowing the Americans to rejoin their battalion with the 132 prisoners in tow York was promoted to Sergeant and he received the Congressional Medal of Honor The site of this famous action was believed to have been identified in 2009 and a memorial erected by the French authorities However a team of archaeologists with help from the French Department of Archaeology and the use of modern day Geographic Information Science believe that the memorial is incorrectly situated and have uncovered thousands of exhibits to support their claim Complete with detailed plans and diagrams and a rich variety of photographs of locations and artefacts Michael Kelly presents not only a fascinating account of York's determined courage but also a detective story as the team unravels the evidence to reveal the exact ravine where the most famous US military action of the First World War took place
