Pierce, 1991 **1929** Andrew Ross Sorkin, 2025-10-14 It is one of the best narrative histories I've read Judge Glock The Wall Street Journal Named a Most Anticipated Book by New York Times Books Review TIME Washington Post Associated Press Town Country New York Post and more From the bestselling author of Too Big to Fail the definitive history of the 2008 banking crisis The Atlantic comes a riveting narrative of the most infamous stock market crash in history one with ripple effects that still shape our society today In 1929 the world watched in shock as the unstoppable Wall Street bull market went into a freefall wiping out fortunes and igniting a depression that would reshape a generation But behind the flashing ticker tapes and panicked traders another drama unfolded one of visionaries and fraudsters titans and dreamers euphoria and ruin With unparalleled access to historical records and newly uncovered documents New York Times bestselling author Andrew Ross Sorkin takes readers inside the chaos of the crash behind the scenes of a raging battle between Wall Street and Washington and the larger than life characters whose ambition and naivete in an endless boom led to disaster The dizzying highs and brutal lows of this era eerily mirror today's world where markets soar political tensions mount and the fight over financial influence plays out once again This is not just a story about money 1929 is a tale of power psychology and the seductive illusion that this time is different It's about disregarded alarm bells financiers who fell from grace and skeptics who saw the crash coming only to be dismissed until it was too late Hailed as a landmark book Too Big to Fail reimagined how financial crises are told Now with 1929 Sorkin delivers an immersive electrifying account of the most pivotal market collapse of all time with lessons that remain as urgent as ever More than just a history 1929 is a crucial blueprint for understanding the cycles of speculation the forces that drive financial upheaval and the warning signs we ignore at our peril *How to Find Business Information* Lucy Heckman, 2011-07-22 This fact filled guide serves as an introductory handbook or as a refresher for those who want to research a specific topic or update their research skills The good news is that more business information is available than ever before But for those drowning in a plethora of data that is also the bad news How to Find Business Information A Guide for Businesspeople Investors and Researchers extends a lifeline to those inundated souls offering sage advice about locating what one needs easily quickly and from trustworthy sources Encompassing print and digital materials journals both online and print online databases reference materials and websites
