The Doyle Diary The Last Great Conan Doyle Mystery:

The Doyle Diary Charles Altamont Doyle, Michael Baker, 1978 Apparently written and drawn by Edward Gorey who is suspected to have been gay **The Doyle Diary** Charles Altamont Doyle, Michael Baker, 1978 **The Doyle Diary** Michael Baker, 1978 **The Doyle Diary; the Last Great Conan Doyle Mystery; a Holmesian Investigation Into the Strange and Curious Case of Charles Altamont Doyle** Charles Altamont Doyle, 1978 **The Colonial Conan Doyle** Catherine Wynne, 2002-07-30 Arthur Conan Doyle is often perceived as the quintessential Englishman patriotically devoted to the Crown and the empire's defender and apologist But such a relegation is both limiting and simplistic Born in Scotland to Irish Catholic parents Doyle's heritage is complex His paternal grandfather John Doyle had originally left Ireland for London in the early 19th century his father was committed to the cause of Irish separatism and his uncle resigned from his position as main cartoonist for *Punch* after the journal launched an attack on the Pope Consequently British imperialism Irish nationalism and Catholic allegiance converge uneasily in his works This book examines the resulting tensions between imperialism and colonialism in his writings It argues that his thematic obsessions with topography race psyche and sexuality stem from his ambivalence toward his own heritage The volume repositions Doyle and redresses current critical approaches that have seen him solely as the advocate of empire and have ignored his colonial background It explores how his fictions occur within a colonial context the complexity of which is evident in gothic tropes of shifting landscapes disguised criminalities spiritualism and sexual anomalies and conflicts *Doyle's World—Lost & Found* Daniel Friedman, MD, Eugene Friedman, MD, 2023-10-24 Doyle's World is no ordinary biography about one of the world's most influential writers It is instead a work that deciphers in particular the cryptic origins and actual scientific methods used by fiction's most famous consulting detective Sherlock Holmes and a work that provides a detailed look into the psyche and working life of Holmes creator Sir Arthur Conan Doyle The book follows Doyle's entire illustrious literary career with emphasis on the Sherlock Holmes mysteries as they evolved from the late 1880s to the early 1900s Revealed here for the first time by son father writing team Daniel Friedman MD and Eugene Friedman MD are the many inspirations behind the physical emotional and intellectual characteristics that Doyle wove together so deftly to bring his legendary sleuth to life Readers are in for many surprises as the Friedmans bring forth tantalizing parallels between the literary realm of both Sherlock Holmes along with his various other fiction and nonfiction works and the actual events from Doyle's childhood and early adulthood that served as frequent inspiration The authors offer answers to long debated and mysterious questions such as From whom did Sherlock Holmes actually learn the art of detective work Why did Doyle kill off Sherlock Holmes and how did the country of Japan inspire how he brought his famous detective back to life after nearly a decade What story elements did Doyle borrow from Robert Louis Stevenson's *Treasure Island* How did Doyle apply his fervent belief in Spiritualism to a variety of Holmes stories Who inspired Doyle to write about civil rights after a steamship journey in 1882 How did the women in Doyle's life come to

influence the relationships with women that both Sherlock Holmes and Dr Watson have across sixty written adventures Doyle's World is divided into three sections The first is dedicated to the elements both good and bad that comprised Doyle's childhood and early adult years and how an assemblage of persons and places and things from his life found their way into his literature The second section emphasizes the highly complex themes and plots present in the Sherlock Holmes adventures while it also thoroughly examines some of Doyle's strengths and weaknesses as a public figure of his time The Friedmans also reveal how Doyle was able to subtly incorporate his own political social and religious views in particular his passionate and often bewildering embrace of Spiritualism into the Holmes stories And in the third section the authors offer two lost stories they uncovered that were written by Doyle under a pseudonym accompanied by textual analysis with which they make their case This is a work of rich detail and in depth scholarship that should win over both established fans of Doyle and devoted Sherlockians everywhere and that will engage and entertain all others who enter this intriguing hall of literary mirrors

The Orchestration of Joy and Suffering Corinne F. Gerwe, 2001 Explores the link between intense childhood experiences persistent behaviors and chronic addiction outlines a novel treatment methodology Elegant and heart wrenching

The Illustrated Letters of Richard Doyle to His Father, 1842-1843 Richard Doyle, 2016-01-04 Before he joined the staff of Punch and designed its iconic front cover illustrator Richard Dicky Doyle was a young man whose father political caricaturist John Doyle charged him with sending a weekly letter even though they lived under the same roof This volume collects the fifty three illustrated missives in their entirety for the first time and provides an uncommon peek into the intimate but expansive observations of a precocious social commentator and artist In a series of vivid manuscript canvases Doyle observes Victorian customs and society He visits operas plays and parades He watches the queen visiting the House of Commons and witnesses the state funeral of the Duke of Sussex He is caught up in the Chartist riots of August 1842 and is robbed during one of the melees And he provides countless illustrations of ordinary people strolling in the streets and swarming the parks and picture galleries of the metropolis The sketches offer a fresh perspective on major social and cultural events of London during the early 1840s by a keen observer not yet twenty years old Doyle's epistles anticipate the modern comic strip and the graphic novel especially in their experimentation with sequential narrative and their ingenious use of space The letters are accompanied by a full biographical and critical introduction with new material about Doyle's life

The Adventures of Sherlock Holmes Arthur Conan Doyle, 2025-01-22 It is an old maxim of mine that when you have excluded the impossible whatever remains however improbable must be the truth The Adventures of Sherlock Holmes is the series of short stories that made the fortunes of The Strand Magazine in which they were first published and won immense popularity for Sherlock Holmes and Dr Watson The detective is at the height of his powers and the volume is full of famous cases including The Red Headed League The Blue Carbuncle and The Speckled Band Although Holmes gained a reputation for infallibility Conan Doyle showed his own realism and feminism by having the great detective defeated by Irene Adler the Woman in the very

first story A Scandal in Bohemia Catherine Wynne's introduction reappraises the stories by looking at Conan Doyle's medical background and its influence on the creation of the famous detective This edition also features completely revised explanatory notes to reflect the most recent scholarship on Conan Doyle and Victorian Literature ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The Fairy Ring, Or, Elsie and Frances Fool the World Mary Losure, 2012-03-27 Relates the story of two early twentieth century cousins who believed they saw real fairies created photographs using paper cutouts when they were teased by adult family members and inadvertently drew the attention of Sir Arthur Conan Doyle a fellow believer
