The Magic Ring and Other Stories: From the Yellow and Crimson Fairy Books Various,2022-08-01 DigiCat Publishing presents to you this special edition of The Magic Ring and Other Stories From the Yellow and Crimson Fairy Books by Various DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature "The White Horse" and Other Stories Emilia Bazan,1993 This is a collection of stories by Emilia Pardo Bazan 1851 1921 a Spanish author who often found the subject matter of her stories in the mysteries and vicissitudes of life Some of her tales are fictional accounts of actual occurrences or people The Pardon A Galician Mother and The Lady Bandit others are a defense of women subjugated by a double standard The Guilty Woman and The Faithful Fiancee a number focus on the figure of the rural priest A Descendant of the Cid and Don Carmelo s Salvation for example One highly symbolic story The White Horse

qualifies Pardo Bazan as the godmother of the Generation of 98 the group of writers who exhorted Spain to begin anew ridding itself of inertia apathy and fixation on past glories Several of the collected tales are like contemporary suspense thrillers such as *The Cuff Link* and *The White Hair* while many others reveal a keen psychological insight *The Torn Lace* *The Substitute Scissors* *The Nurse and Rescue* Pardo Bazan's themes are fear love hatred forgiveness cruelty poverty necrophilia repentance homesickness and madness that is naked reality bitter reality and often an ugly vicious reality One of the indisputable giants of the nineteenth century short story is Guy de Maupassant Pardo Bazan met him along with Daudet and Zola in France and considered him author of *The Horla* to be the master of short story writers However although Maupassant influenced her most notably in psychological inquiry and careful attention to realistic detail Pardo Bazan put her own stamp on her stories and developed a style *sui generis* the most striking feature of which is brevity The essence of Pardo Bazan's approach is to engage the reader as quickly as possible certainly in the first paragraph frequently in the first few sentences Some aspect of a character or an episode is brought to light and the story unfolds rapidly There are third person narratives in which the author occasionally injects herself or her point of view Other narratives are presented wholly in the first person some by an omniscient narrator some by the players and from time to time Pardo Bazan has someone else tell the story to her and then as narrator she becomes the audience It is entirely plausible that some of her graphic descriptions were intended to blunt accusations of softness i.e. femininity that in her era would foolishly but automatically have been associated with a woman writer Still when the time came to represent the plight of women in terms of natural understandable sexual needs and intellectual acceptance Pardo Bazan captured the anguish and inferior status of her Spanish sisters
