RC Schank

The Dream Child:

The Future of the Nineteenth-Century Dream-Child Amy Billone, 2016-06-10 This book investigates the reappearance of the 19th century dream child from the Golden Age of Children's Literature both in the Harry Potter series and in other works that have reached unprecedented levels of popular success today Discussing Harry Potter as a reincarnation of Lewis Carroll's Alice and J M Barrie's Peter Pan Billone goes on to examine the recent resurrection of Alice in Tim Burton's Alice and of Peter Pan in Michael Jackson and in James Bond Visiting trends that have emerged since the Harry Potter series ended the book studies revisions of the dream child in texts and films that have inspired mass fandom in the twenty first century Stephenie Meyer's Twilight E L James's 50 Shades of Grey and Suzanne Collins's The Hunger Games The volume argues that the 21st century desire to achieve dream states in relationship to eternal youth results from the way that dreams provide a means of realizing the fantastic yet alarming possibility of escaping from time This current identification with the dream child stems from the threat of political unrest and economic and environmental collapse as well as from the simultaneous technophilia and technophobia of a culture immersed in the breathless revolution of the digital age This book not only explores how the dream child from the past has returned to reflect misgivings about imagined dystopian futures but also reveals how the rebirth of the dream child opens up possibilities for new narratives where happy endings remain viable against all odds It will appeal to scholars in a wide variety of fields including Childhood Studies Children's YA Literature Cinema Studies Cultural Studies Cyberculture Gender Studies Queer Studies Gothic Studies New Media and Popular Culture

In the Shadow of the Dreamchild Karoline Leach, 2014-06-01 A revolutionary and much acclaimed study of the work and motives of the Alice In Wonderland author This is the most significant biographical work on the author of Alice In Wonderland to be published in recent years and this new edition marks the 150th anniversary of the publication of Alice's Adventures in Wonderland Karoline Leach's study contends that Carroll was far from being emotionally and sexually obsessed with female children and his muse Alice Liddell She tells the strange story of how the false image of Carroll came into being and how he adored and was adored by women of all ages and enjoyed adult relationships that would have scandalized the Victorian age in which he lived The author gained access to unpublished evidence from the family archive as well as letters and diaries that led her to uncover Carroll's secret passion for another member of Alice's family In *The Shadow of The Dreamchild* is a radical re-evaluation of the life and work of one of England's most mysterious literary figures and the revised edition expands on Leach's important research

The Dream Child Florence Huntley, 1903 *The Dream Child* Florence Huntley, 1911

New York Magazine, 1989-08-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while

celebrating New York as both a place and an idea **New York Magazine** ,1989-08-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1989-08-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **A NIGHTMARE ON ELM STREET 5: THE DREAM CHILD** ,1989 **Imaginary Companions and the Children Who Create Them** Marjorie Taylor,2001-05-03 Many parents delight in their child s imaginary companion as evidence of a lively imagination and creative mind At the same time parents sometimes wonder if the imaginary companion might be a sign that something is wrong Does having a pretend friend mean that the child is in emotional distress That he or she has difficulty communicating with other children In this fascinating book Marjorie Taylor provides an informed look at current thinking about pretend friends dispelling many myths about them In the past a child with an imaginary companion might have been considered peculiar shy or even troubled but according to Taylor the reality is much more positive and interesting Not only are imaginary companions surprisingly common the children who have them tend to be less shy than other children They also are better able to focus their attention and to see things from another person s perspective In addition to describing imaginary companions and the reasons children create them Taylor discusses other aspects of children s fantasy lives such as their belief in Santa their dreams and their uncertainty about the reality of TV characters Adults who remember their own childhood pretend friends will be interested in the chapter on the relationship between imaginary companions in childhood and adult forms of fantasy Taylor also addresses practical concerns providing many useful suggestions for parents For example she describes how children often express their own feelings by attributing them to their imaginary companion If you have a child who creates imaginary creatures or if you work with pre schoolers you will find this book very helpful in understanding the roles that imaginary companions play in children s emotional lives *New York Magazine* ,1989-08-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
