The Dreamers:

The DREAMers Walter J. Nicholls, 2013-09-04 On May 17 2010 four undocumented students occupied the Arizona office of Senator John McCain Across the country a flurry of occupations hunger strikes demonstrations and marches followed calling for support of the DREAM Act that would allow these young people the legal right to stay in the United States The highly public confrontational nature of these actions marked a sharp departure from more subdued anonymous forms of activism of years past The DREAMers provides the first investigation of the youth movement that has transformed the national immigration debate from its start in the early 2000s through the present day Walter Nicholls draws on interviews news stories and firsthand encounters with activists to highlight the strategies and claims that have created this now powerful voice in American politics Facing high levels of anti immigrant sentiment across the country undocumented youths sought to increase support for their cause and change the terms of debate by arguing for their unique position as culturally integrated long term residents and most importantly as American youth sharing in core American values Since 2010 undocumented activists have increasingly claimed their own space in the public sphere asserting a right to recognition a right to have rights Ultimately through the story of the undocumented youth movement The DREAMers shows how a stigmatized group whether immigrants or others can gain a powerful voice in American political debate The Dreamers Theodosia Pickering Garrison, 1917 *Sleepless Nights in the Dreamers Mall* Herb Kauderer, 2025-10-23 Award winning poet Herb Kauderer has been visiting the Dreamers Mall in The Tank a vast virtual world for thirty five years Now those countless shopping trips have been gathered into one volume Sleepless Nights in the Dreamers Mall inviting readers to roam its ever shifting corridors with shops for Halloween avatars dragons jewelry made from life itself a bookstore featuring a virtual Joseph Conrad and much more Kauderer crafts a mosaic of lyrical stories with poems shimmering with humor melancholy and wonder From an iron worker forging digital masterpieces about the divide between the physical and the ethereal to a brewmaster blending illusion and reality these poems explore the deep longings culturally encoded in our shared virtual dreams So take forty winks and step inside the mall *The Last of the Dreamers* Ryan Bartlett, 2024-01-24 Dreams aren't always what they seem at least not for Sihera and Jokahn two teenagers gifted with a rare magic allowing them to glimpse into the future Sihera wasn't strong enough to protect her family Now as she is haunted by visions of Jokahn's murder Sihera is plunged into a high stakes race against time to save his life Meanwhile Jokahn an orphaned pickpocket unaware of his own power encounters a beautiful and mysterious warrior princess named Ticahrla She is everything he isn't strong courageous and true Hungry for power Ticahrla is on a quest to find the Origin and become an Arcane Bearer the most powerful of magic wielders But there's a catch to become an Arcane Bearer she must sacrifice a dreamer Jokahn Nightmares quickly blur with reality as our three flawed protagonists begin to question what kind of people they will become the heroes of their destiny or the villains of their nightmares Embark on a fast paced journey across land and sea in this YA

fantasy adventure brimming with epic sword fights fantastical creatures powerful magic love and betrayal *The Dreamer Who Dreams You* Daniel Stone,2012-03-16 An opening into the dream of the day and the dream of the night **Mapping the Social Landscape** Susan J. Ferguson,2020-08-27 The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Mapping The Social Landscape is one of the most established and widely used readers for Introductory Sociology The organization follows that of a typical introductory sociology course and provides coverage of key concepts including culture socialization deviance social structure social inequality social institutions and social change Susan J Ferguson selects edits and introduces 58 readings representing a plurality of voices and views within sociology The selections include classic statements from great thinkers like C Wright Mills Karl Marx and Max Weber as well of the works of contemporary scholars who address current social issues Throughout this collection there are many opportunities to discuss individual interactional and structural levels of society the roles of race ethnicity class gender and sexuality in shaping social life and the intersection of statuses and identities Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides **Dreamer Nation** Ana Milena Ribero,2023-09-21 Contributing to rhetorical studies of social movements immigration and minoritized rhetorics Ana Milena Ribero argues that even though Dreamer rhetorics were reflective of the discursive limits of the neoliberal milieu they also worked to disrupt neoliberal constraints through activism that troubled the primacy of the nation state and citizenship refused to adhere to respectability politics forwarded embodied identity and transnational belonging and looked for liberation in community not solely in legislative action Both of and beyond neoliberalism Dreamer rhetorics evidenced a rhetorical flexibility a both and sensibility that allowed Dreamers to vacillate between neoliberal tropes and radical arguments Working with Dreams and PTSD Nightmares Jacquie E. Lewis Ph.D.,Stanley Krippner,2016-07-25 Both a manual on the various methods for working with dreams and an easily understandable description about dreamwork methods and PTSD nightmares for general readers this book will benefit psychotherapists counselors academics and students Working with Dreams and PTSD Nightmares 14 Approaches for Psychotherapists and Counselors is an essential tool for anyone seeking to learn how to work with dreams It covers all major methods in use today offering outlines of the processes with descriptive examples that make the material come alive for the reader The clinical examples enable counselors and psychotherapists to be able to see the effectiveness of dreamwork processes and the text clearly explains techniques so readers can use them in clinical and counseling sessions PTSD nightmares are given special attention to serve counselors and therapists who assist PTSD patients in settings such as private practice mental health centers community centers and hospitals This book is a comprehensive textbook appropriate for courses on psychology and dreams Readers who are interested in dreamwork methods but have not previously worked in

From Here and There Alexandra Delano, 2018 When immigrants to the United States need to learn English receive health services open a bank account or get a work certification US state and local governments or non profit organizations usually assist as part of the process of supporting immigrant integration and ultimately citizenship But over the past two decades Mexico and other origin countries of migrants have been increasingly filling gaps in these activities through their consular representations particularly focusing on populations with precarious legal status Put in the larger context of diaspora policies these practices focused on establishing closer ties between the origin country and the emigrant population and protecting their rights through the provision of social services are one of the clearest manifestations of the reconceptualization of the boundaries of citizenship and the rights and obligations that come with it This book looks at citizenship and immigrant integration from the perspective of countries of origin specifically the processes through which Mexico and other Latin American countries are establishing programs to give their emigrant populations better access to education health banking labor rights language acquisition and civic participation in the United States While immigrant integration is often assumed as an issue that mainly concerns the population and institutions of the country of destination these cases demonstrate the role that origin countries play in supporting migrants access to opportunities to participate as members of the societies they are a part of challenging the limits of citizenship and sovereignty and offering examples of innovative practices in the protection of migrants rights As an area of migration governance that is rarely discussed this book offers a critical evaluation of these programs and their impact on emigrants particularly on those who are undocumented or have precarious legal status and the collaborations between governments and civil society groups on which the programs are based
