Monina, a musical love Carlos Díaz del Castillo, 2020-12-18 It is the story of a youth music band who in the late seventies and early eighties begin to see the growth and subsequent success of their band In this one stands out one of his new members called M nica who has had to suffer the consequences of a kidnapping when she was fourteen years old and who according to the opinion of experts and musical critics can become a great star There is no lack of romance jealousy competition problems and moments in which the most prominent members of the group must come to make crucial decisions which will end up affecting the future of the band **Sects, Love, and Rock & Roll** Joel Heng Hartse, 2010-11-01 If this book moves I hope it moves in the way pop songs do There will be a lot of talk about songs but inasmuch as this is a book about listening to music it s also about how listening to music makes us who we are or at least about how it makes me who I am and so it is an exploration an idiosyncratic and opinionated and particular one of a self shaped by the oddly intersecting forces of the American evangelical Protestant church and the American popular music scene I don t mean for that to sound hoity toity if this were fifteen years ago I would say that this book was about Christian music and I would know exactly what I meant My purpose now is not only to talk about Christian music I am not here to explicate Christian music to explain why it exists and whether it is any good Instead think of what you re about to read as like an iPod playlist a collection of essays and

thoughts on listening to music and having faith and how they have made me and a lot of people like me and maybe you Also there will be some jokes about Stryper **Love Under the K Street Bridge** Maurice A. Butler,2023-12-07 People often say that homelessness can happen to anybody It is virtually only two missed paychecks away Love Under the K Street Bridge follows the journey of Jason Powell an immensely popular high school band director and Alexis Gordon an internationally renowned business woman as they become successful in society fall on hard times and lose everything They both become homeless and subsequently are scorned by the society that once adored them They find each other and develop a romantic bond as they try to traverse the evils of life on the street This fictional story highlights the fact that anybody can be just two paychecks or one medical crisis away from homelessness This story is also about the power of love and how love enables man to survive anything The struggle is real Love is real This is a story of the human condition *Love and Justice* Maya Moore Irons,Jonathan Irons,Travis Thrasher,2023-01-17 In the tradition of Just Mercy an inspirational memoir by WNBA star Maya Moore Irons and her husband Jonathan Irons who she helped free from a wrongful conviction A journey for justice turned into a love story when Maya Moore one of the WNBA s brightest stars married the man she helped free from prison Jonathan Irons Jonathan was only 16 when he was arrested for a crime he did not commit Maya Moore s family met Jonathan through a prison ministry program in 1999 and over time developed a close bond with him Maya met Jonathan in 2007 shortly before her freshman year at the University of Connecticut where she became one of the most heralded women s basketball players in collegiate history She visited him often throughout the years as well as sending him letters and books as he fought for his freedom ultimately she became a strong voice for prosecutorial changes She stunned the sports world when she announced in February 2019 that she would step away from her career in women s basketball in part so she could help Jonathan in what they hoped would be his final appeal In March 2020 his conviction was overturned by a state judge in Jefferson City Mo In this inspiring memoir the couple will explore their unwavering faith their deep connection and how Maya stepped away from basketball to pursue justice both to prove Jonathan s innocence and inspire activism in others Just like Maya and Jonathan asked themselves readers will ask themselves one of the most important questions they can after reading this book Am I living out my purpose Love's Transformation Emil Toth,2019-06-30 Batu s inspirational story dramatizes how tragic and explosive events transform her from being self centered to self empowered Batu fearlessly speaks out against injustice and inequalities in a male dominated society irritating village councilmen and most men in the village Unwilling to subject herself to a barbaric ritual she insults the pagan High Priest and creates a persistent enemy throughout the story Selfishly she continues her quest for knowledge and prestige and marries the Story Teller a member of the council The marriage turns into a test of wills that causes her beauty to be devastated by psoriasis After nearly dying she is transformed by falling in love with her husband The death of her husband and baby cause Batu to lose worth as defined by law Without worth the council decrees she is to be expelled from the village to face certain death by predators While waiting to be expelled the Healer helps
