Translated by
Robert Hunter

The Duino Elegies

Rainer Maria Rilke

The Duino Elegies:

Duino Elegies Rainer Maria Rilke, 2025-09-23 Who if I cried out would hear me among the angelic orders and even if one of them pressed me suddenly to his heart I'd be consumed in that overwhelming existence For beauty is nothing but the beginning of terror which we can just barely endure and we stand in awe of it as it coolly disdains to destroy us Every angel is terrifying from The First Elegy Over the last fifteen years in his two volumes of New Poems as well as in The Book of Images and Uncollected Poems Edward Snow has emerged as one of Rainer Maria Rilke's most able English language interpreters In his translations Snow adheres faithfully to the intent of Rilke's German while constructing nuanced colloquial poems in English Written in a period of spiritual crisis between 1912 and 1922 the poems that compose the Duino Elegies are the ones most frequently identified with the Rilkean sensibility With their symbolic landscapes prophetic proclamations and unsettling intensity these complex and haunting poems rank among the outstanding visionary works of the century Duino Elegies & The Sonnets to Orpheus Rainer Maria Rilke, 2009-10-06 Available for the first time in a single volume Rainer Maria Rilke's two most beloved sequences of poems rendered by his most faithful translator Rilke is unquestionably the twentieth century's most significant and compelling poet of romantic transformation and spiritual quest His poems of ecstatic identification with the world exert perennial fascination In Stephen Mitchell's versions of Rilke's two greatest masterpieces readers will discover an English rendering that captures the lyric intensity fluency and reach of his poetry Stephen Mitchell adheres impeccably to Rilke's text to his formal music and to the complexity of his thought at the same time Mitchell's work has authority and power as poetry in its own right **Duino Elegies, Bilingual Edition** Rainer Maria Rilke, 1961 Rilke considered the Elegies his greatest achievement Begun in 1912 at the castle of Duino near Trieste these ten Elegies were finally completed after a decade of sporadic and protracted creation in the winter of 1922 They are part of the same creative vein from which erupted spontaneously and in far briefer time the Sonnets to Orpheus As MacIntyre suggests these elegies indubitably will take their place among the great and unforgettable poetry of the world They have already been singled out critically as the most impressive sequence of great poetry in modern European literature In this compact volume the German original text is printed face to face with the translations **Duino Elegies** Rainer Maria Rilke, 1961 One of the greatest sequences of poetry in modern European literature pocket sized with a brilliant new cover The Duino Elegies Rainer Maria Rilke, 1972 **Duino Elegies** Rainer Maria Rilke, 2014-05-05 One of the literary masterpieces of the century this translation is now presented with facing page German We have a marvelous almost legendary image of the circumstances in which the composition of this great poem began Rilke was staying at a castle Duino on the sea near Trieste One morning he walked out on the battlements and climbed down to where the rocks dropped sharply to the sea From out of the wind which was blowing with great force Rilke seemed to hear a voice Wer wenn ich schrie horte mich denn aus der Engel Ordnungen If I cried out who would hear me up there among the angelic orders He wrote these words the opening of the first Duino

Elegy in his notebook then went inside to continue what was to be his major work and one of the literary masterpieces of the century

Duino Elegies Rainer Maria Rilke, 2012-04-10 The Duino Elegies are one of the twentieth century's great works of art. In the space of ten elegies presented here in a bilingual edition, an impassioned monologue struggles to find an individual answer to what it means to be human in a world torn by modern consciousness. In his introduction, David Oswald writes: Rilke's poetry shows an unusual sensitivity to inner experience and to the symbolic processes of the psyche, two things that are important to me in my work as a Jungian analyst. His carefully crafted language conveys the movements of this otherwise unsayable realm and addresses the issues of finding the proper relationship to it. My goal has been to create a translation that preserves this sensitivity and precision. What are we? The Elegies seek a measure of humanness that is positive in form, one that goes beyond the painful recognition that we are neither totally natural in the way that animals are, nor totally transcendent as angels are. The emphasis on "are" comes from the despair over the split of consciousness that hangs us between current and stone, between the flow of our inner experience and the rigidity of our interpreted world, thus making it impossible for us to be something one or something that remains constant. To be an "I" means to be constantly caught between the polarities of the night and the day, world of animal and angel, of man and woman, of sexuality and spirituality, of hero and lover, of inner and outer world, of life and death, and never to be at one with any of it. The Duino Elegies do not overcome or eliminate this lament, but the cycle tries to give meaning to the split by giving consciousness a direction towards the open.

David Oswald, b. 1953, is finishing his training in analytical psychology at the C. G. Jung Institute in Zurich, Switzerland, where he has been living for the past eight years. Raised in Owatonna, Minnesota, he has degrees in German from the University of Kansas and Mathematics from the University of Minnesota. Among the English translations of Rilke's Duineser Elegien, that I am familiar with, the one by David Oswald seems to me to be the best. Not only does it faithfully reproduce the content of the original poems, something which earlier translations have managed to do, but also through its closely matching rhythm and its use of an often bold imagery rooted in the spirit of the English language, it conveys their poetic substance as well.

Prof. Jacob Steiner, President of the International Rilke Society

RILKE: Duino Elegies Rainer Maria Rilke, 2024-09-26 Duino Elegy by Rainer Maria Rilke, part of the larger collection Duino Elegies, is a profound exploration of human existence, suffering, and the quest for meaning in an uncertain world. Written during a period of personal and societal turmoil, Rilke meditates on the fragility of life, the limitations of human perception, and the desire for transcendence. In this elegy, Rilke invokes the voices of angels to contrast the human experience, emphasizing the overwhelming and often inaccessible nature of higher truths and divine understanding. The text is rich with themes of existential questioning and poetic imagery, reflecting Rilke's internal struggles and his confrontation with the isolation that accompanies human consciousness. The First Elegy particularly grapples with the inevitability of suffering and death, while also exploring the tension between earthly life and the longing for a higher spiritual existence. Through vivid and often melancholic language, Rilke portrays humanity as caught in a tragic and

beautiful dance with fate aware of its mortality yet yearning for a deeper connection to the infinite Since its publication Duino Elegies has been celebrated for its deep philosophical insights and its intricate lyrical beauty The work continues to resonate with readers and scholars alike for its timeless reflections on the human condition making it a cornerstone of modern existential and mystical poetry The First Elegy with its emotional intensity and intellectual depth remains one of the most discussed and revered pieces in Rilke's poetic oeuvre

Duino Elegies and other Selected Poems Rainer Maria Rilke, 2008-03-11 Duino Elegies are the ten magnificent poems that defined the Austrian poet Rainer Maria Rilke's artistic vision of life death eternity and the human condition Marie von Thurn und Taxis Hohenlohe invited Rilke to stay at her castle in Duino on the coast of the Adriatic Sea near Trieste He stayed alone in the castle for about four months and on a cold day in January 1912 when he was contemplating how to answer a business letter that he received he walked out into the freezing windy morning and walking along a path by the bastions looking down at the violent waves of the Adriatic a couple of hundred feet below him he heard someone speak but when he turned around he was alone and the voice that he heard spoke the famous opening lines of the First Elegy Wer wenn ich schrie h rte mich denn aus der Engel Ordnungen Who if I cried out would hear me among the Angelic Orders Dr Gartner presents a new translation of Rilke's magnum opus as well as of a selection of ten famous poems from Rilke's collected works

Rilke's Duino Elegies Roger Paulin, Peter Hutchinson, 1996 Rainer Maria Rilke is seen as an important poet writing in German in the 20th century and the Duino Elegies are often viewed as his best work

When somebody should go to the ebook stores, search instigation by shop, shelf by shelf, it is essentially problematic. This is why we allow the book compilations in this website. It will agreed ease you to look guide **The Duino Elegies** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly.
