The Dum Dum Murder:

Honest Answers about the Murder of President John F. Kennedy Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject **MURDER BY THE DOZEN** R.F. Morgan, 2005 Murder Along the Cape Fear is the story of Fayetteville and Fort Bragg North Carolina during the twentieth century Seen through the eyes of a native son this is the tale of one a distinguished historian who lived through some of it and heard about much of it from friends and relatives In this hundred year journey the town was profoundly impacted by the establishment of Fort Bragg 10 miles to its west Throughout this hundred year history murder seems to be the scarlet thread that stitched the town into infamy The book demonstrates that Fayetteville was by no means innocent prior to the coming of Fort Bragg Nor did all of the crime and evil emanate from Fort Bragg after 1918 As for murder there was an abundance of killing that had no connection with Fort Bragg but the most sensational murder case of the century involved Jeffrey MacDonald a Green Beret Army captain and physician who received three life terms in federal prison for killing his pregnant wife and two daughters While many other Fort Bragg soldiers were involved with murders along the Cape Fear murders were also committed by transient civilians and local citizens like the famous inventor of the M 1 carbine Marshall Carbine Williams and Velma Barfield who poisoned her mother and three other people In all about two dozen murder cases some highly publicized and some not are woven into this story about a North Carolina town in the twentieth century Engagingly told this book is a wonderful blend of history lore and murder **Reports of Cases Determined in the Court of Nizamut Adawlut for 1851-[1859]** Bengal (India).
