The Earliest Relationship:

The Earliest Relationship T. Berry Brazelton, Bertrand G. Cramer, 2018-05-08 Never before has research on newborn behavior and parent infant interaction been fully integrated with psychoanalytic insight into parents emotions and fantasies This book provide a vivid glimpse of the parents daydreams and narcissistic wishes which grow into a desire for a child and they show how these feelings develop into important attachments to the unborn infant during pregnancy The power and competence of the newborn born then challenges parental fantasies desires wishes and expectations creating the beginnings of the bond between parent and child Using the latest research the authors clarify all the ways the infant participates in the dawning relationship and the ingredients of very early communication and interaction They then unveil the imaginary interactions which lend meaning and drama to each gesture and expression We see the baby as Tyrant as Savior or as the reincarnation of lost relationships Everyone who cares for mothers and babies pediatricians developmental and clinical psychologists psychiatrists early childhood specialists nurses and social workers as well as interested parents will find this book of immediate value

The First Relationship Daniel N Stern, 2009-06-30 Stern s pathbreaking video based research into the intimate complexities of mother infant interaction has had an enormous impact on psychotherapy and developmental psychology Now a noted authority on early development Stern first reviewed his unique methods and observations in *The First Relationship* Intended for parents as well as for therapists and researchers it offers a lucid and nontechnical overview of the author s key ideas and encapsulates the major themes of his subsequent books

Intimate Relationships Wind Goodfriend, 2020-07-30 Recipient of a 2021 Most Promising New Textbook Award from the Textbook Academic Authors Association TAA *Intimate Relationships* provides students with a comprehensive understanding of the science behind relationships using a modern approach Award winning teacher and author Wind Goodfriend integrates coverage of family and friendship relationships in context with research methods open science theories and romantic relationships so that readers can learn about all types of relationships and their interactions including conflict and the dark side of relationships The text supports today s students by frequently applying relationship theories to examples that can be found in popular culture helping students see how psychology can apply to the world that surrounds them Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides
