Toren, Recorded Books, LLC., 2005 This sequel to Hadassah parallels the lives of Hadassah and Queen Esther in modern day Israel and the Persian kingdom Each woman must remain strong as she fights for her people [The Road Home](#) Tommy Tenney, Mark Andrew Olsen, 2008-10-01 For Las Vegas widow Naomi memories of a Pennsylvania Dutch childhood are an ache from the distant past a painful memory of abandoned roots and lost connections She has long since reconciled herself to the shattered dreams that had enticed her from her heritage and now simply lives in a tiny apartment thick with loneliness and regret Her sole consolation is her daughter in law Ruth But when hard living claims both of her boys the two women turn Naomi's creaky Impala eastward in a desperate last chance bid for hope and meaning Thus begins a cross country odyssey that brings her home to her old farm in Lancaster County and to the values and rhythms of a life once spurned Although the East is foreign territory Ruth also finds a home here among the slow and authentic cadences of Pennsylvania farm country And she finds love *The Ultimate Comeback* Tommy Tenney, 2008-12-02 Using biblical examples of how focusing on the

wrong direction leads only to heartbreak Tommy Tenney reveals that obedience alone brings true restoration of the soul and

then he explains how to make right choices **Finding Your Way** Tommy Tenney,2008-01-11 In *The Ultimate Comeback* Tommy Tenney showed us how we can find restoration and healing after even the most egregious errors and from the most hopeless situations In Tenny s new book the pilgrimage of Ruth and Naomi to Bethlehem is the springboard for Tenney s message which teaches that many of the things that go wrong in our lives can be resolved or even avoided by adopting some very basic principles We desperately need to downsize reprioritize and sometimes even sacrifice less important things in order to simplify our lives In doing so we become unfettered enough to see more clearly where our priorities should lie We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system We settle on whatever gives us permission to do what we want and to acquire what we desire Ruth possessed the virtues of wisdom faith and trust and employing these while enduring personal crisis she realized that the very things she needed for inner strength and support were her family traditions What we find on this journey is that these foundational tenets lead us down a path to a place of peace and contentment to the Things that Really Matter *Ulterior Motives (Covert Missions Book #3)* Mark Andrew Olsen,2009-03-01 When an al Qaida email is intercepted promising a New Year s Day attack on America it leads to the capture of the group s leader But even under fierce interrogation the terrorist clings to his jihadist beliefs and resists divulging anything of the threat Desperate the Army resorts to a contingency paper that proposes to break a subject s resistance by inducing a religious conversion One hitch the top secret attempt must be masked as an offer of clemency and must rely on a completely innocent mentor a so called witness who is unaware of the project s true aims They find that witness in Greg Cahill a disgraced FBI agent who has since turned to Christ and serves in a prison ministry Lured by an offer of restoration as well as the lifting of a restraining order that s keeping him from seeing his son Greg begins an unlikely friendship with a man the entire country despises Despite himself he begins to share his faith yet with a combustible result unforeseen by either himself or his government handlers **The Warriors (Covert Missions Book #2)** Mark Andrew Olsen,2009-03-01 Young Abby Sherman has been summoned to Israel where a Watcher the Sentinel of Jerusalem lies dying In her last breaths the woman tells Abby of an ancient document prophesying humanity s full scale entry into the ongoing conflict between the armies of heaven and fallen angels When Abby issues an Internet prayer warning she unwillingly sets in motion a series of events that will uncover one of America s hottest secrets Here s a story to enthrall educate and energize Christians into participating in real life strategic prayer a novel featuring exotic international locales chilling scenes of evil in action multiple character plot lines and a clash against real life spiritual principalities and powers carrying eternal consequences *Watchers, The* Mark Andrew Olsen,2008-04 Nail biting suspense with strong spiritual themes including the role of prayer in the battle between good and evil Enjoyable for fans of Dekker and Peretti **Rescued** John Bevere,Mark Andrew Olsen,2007-09 A parable of the judgment from best selling author John Bevere in the ultimate rescue life or death is just the beginning **Finding Favor With the King** Tommy Tenney,2004-12-01 Tenney takes readers to Esther s pre

Islamic Persia to uncover the secrets that helped her win the heart and gain the ear of the king and save her people from destruction A Jewish girl of no royal heritage was chosen to become the Queen of Persia Was it her beauty alone or did she know an important and mysterious truth Tenney challenges his readers to move beyond formal petitions or even storming the gates of heaven to that intimate embrace of worship where the bride s petitions move the King s heart and where kingdoms people and situations begin to shift like pawns on a divine chessboard Tullidge's Quarterly Magazine ,1881
