## **The Hardhats Bedtime Story:**

The Hardhat's Bedtime Story Book Al Capp, 1971      *Ki Ki's Bedtime Story* M. Cooper, 2018-01-10 A story about a little girl who needs some extra help keeping her lungs healthy Her Mama waits for her to fall asleep at night and with the help of a little magic begins her journey Ki Ki wakes up happy and ready to enjoy a new day      *Comics through Time* M. creator of Li'l Abner. The left eventually broke his heart wrote John Updike of Capp: A genuine American mythmaker and celebrated funnyman. Capp used his strip for years to expose greed, corruption and social injustice while bringing belly laughs and dramatic suspense to the lives of millions of people every day. Theroux however dives head first into the often glossed over side of Capp, delivering a keen but not without compassion analysis of Capp's degeneration into a bitter disillusioned conservative extremist who began using his strip in later years to attack the very causes he once championed. This is a rich and compelling investigation into the psyche of a paradoxical American icon who at the height of his fame was one of America's highest paid and most well known entertainers gracing the cover of Time and other magazines and franchising Li'l Abner into film, theater, radio, merchandising and more. Illustrated throughout with examples of Capp's cartoons. **Al Capp** Michael Schumacher, Denis Kitchen, 2013-02-26. More than thirty years have passed since Al Capp's death and he may no longer be a household name. But at the height of his career his groundbreaking comic strip Li'l Abner reached ninety million readers. The strip ran for forty three years, spawned two movies and a Broadway musical and originated such expressions as hogwash and double whammy. Capp himself was a familiar personality on TV and radio as a satirist he was frequently compared to Mark Twain. Though Li'l Abner brought millions joy, the man behind the strip was a complicated and often unpleasant person. A childhood accident cost him a leg leading him to art as a means of distinguishing himself. His apprenticeship with Ham Fisher, creator of Joe Palooka, started a twenty year feud that ended in Fisher's suicide. Capp enjoyed outsized publicity for a cartoonist but his status abetted sexual misconduct and protected him from the severest repercussions. Late in life his politics became extremely conservative; he counted Richard Nixon as a friend and his gift for satire was redirected at targets like John Lennon, Joan Baez and anti-war protesters on campuses across the country. With unprecedented access to Capp's archives and a wealth of new material, Michael Schumacher and Denis Kitchen have written a probing biography. Capp's story is one of incredible highs and lows of popularity and villainy of success and failure told here with authority and heart. **Catalog of Copyright Entries.
