Healing Works of Jesus William H. Higgins, 2013-09-17 The Healing Works of Jesus is an inspiring and concise reference of the healings Jesus performed in the Four Gospels. Each case of healing includes the full scriptural references where each case of healing is found in the 4 gospels. How many times did Jesus minister to individuals in the 4 gospels? How many times did Jesus minister to the multitudes in the gospels? How many cases of healing are unique to each gospel? How many cases are common to more than one gospel? The answers may take you by surprise. The Healing Works of Jesus will save the student countless hours of research. Each case of healing includes the complete scriptural reference allowing you to read ALL of the scriptures together for each case of healing, thereby saving you many hours of study. William has also organized the healing of the multitudes and has arranged them in similar fashion, including the full scriptural references together for each of the cases of the healing of the multitudes. This book may not only be used for individual and group studies but will cause faith to receive healing to arise in the hearts of those who need healing today. This simple, practical and well-organized guide is designed to bring the student and patient into a deeper revelation of healing and a clearer understanding of how and when Jesus ministered healing to all who needed healing.

*The Miracles of Jesus* Vern S. Poythress, 2015-11-17 Christians often view Jesus's miracles simply as proofs of his divinity. However, as prolific author Vern Poythress shows in this new book, they also serve as signs of redemption, foreshadowing the salvation that Christ accomplished through his cross and resurrection. This means that the stories of Jesus's miracles, like the calming of the storm or the feeding of the 5,000, are relevant for both Christians and non-Christians alike, clearly pointing to the gospel. After setting forth a framework for viewing all of Jesus's miracles through this lens, Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew, helping modern readers understand and apply them to their own lives today.

*The Christian Healing Power* Charles Fillmore, 2019-12-18 Much has been written and said about the healing methods that Jesus used in His very striking cures of physical ills. However, very few have dared even to suggest that Jesus applied universal law in His restorative methods. Charles Fillmore has found that Jesus's healing methods were based on universal mental and spiritual laws that anyone can utilize. Ultimately, that cognition led him to the conclusion that man and the universe are founded on mind, and that all changes for good or ill are changes of mind.

adapted the story of healing to the purpose for which they wrote The miracles of healing that Jesus did whether recorded or not all speak of the divine power manifested by Jesus during His mission on this earth On the other hand we cannot disregard the long silence of 18 years that the evangelists ignored in Jesus life leaving Him at the age of twelve and then returning to Him when He was about thirty During those long years which were years of preparation for the official launch of the great commission did Jesus perform miracles of healing We are told nothing about this and no one can answer categorically yes or no

The Miracles of Jesus Edward Owen Davies,1913      **Miracles of Healing in the Gospel of Mark** John I. Penn Sr.,2021-12-01 Early on in my study it became evident that Mark was not simply recounting the healing incidents that Jesus had performed Mark looked at the healing miracles of Jesus through the lens of God s perspective What was significant to Mark and what captured my spiritual imagination was his interpretation of the healing miracles He made it clear to the readers that Jesus clearly understood the redemptive implications of his mission as the Jewish healer redeemer Jesus fully embraced his Messianic mission to bring salvation to the Hebrew people He would become the perfect sacrificial lamb of God to bring about the restoration of fallen humanity In and through him God s good creation would be restored Through Jesus sacrificial death God would create a new covenant of grace which could be acceptable to both Jews and Gentiles The healing miracles demonstrated the defeat of sin sickness death and the evil influence of Satan s demonic forces Jesus did this by not only removing our sins but also taking the consequences of our sins upon himself nailing them to the cross All of Jesus healing miracles were interpreted similarly I found Mark s gospel both inspiring and informative allowing me to see the heart love compassion and mind of God for His creation

**The Healing Ministry of Jesus Study Guide** Rick Renner,2022-04-01 Are You Cooperating With God s Healing Power Each of the four gospels Matthew Mark Luke and John touch on the healing ministry of Jesus As He went about preaching and teaching Jesus healed every sickness and every disease imaginable that was present in the vast multitudes of people who followed Him From the frailest in health to those
