**The Hidden Mystery of the Bible** Jack Ensign Addington,1969-06-01 The Bible is the most important book ever published It has had more influence on history and affected more lives than any other book It divides nations and unites cultures Some people read the Bible for its literal meaning while others read it for the implied meaning To this day it continues to shape the heart soul and minds of individuals generations and societies worldwide How can this controversial and profound book be the answer to the problems of the world The first step is to look at how we perceive the Bible is it a history book or guide book For centuries people have viewed the Bible as a bridge to the past describing how humanity lived survived and died while in truth it is actually shining the Light of Truth onto our present day living to help us meet our personal and social problems New Thought writer Jack Ensign Addington believes that once you discover the hidden meaning of the Bible an infinite source of wisdom will be illuminated and revealed *The Hidden Bible* John P. Scott,2013-10 This is a new release of the original 1935 edition

**The Secret Astrology of the Bible** Michael Ledo,2010-05-02 The Secret Astrology of the Bible by Michael Ledo is a landmark book that will change the way the scholarly community and the general public views the Bible history and myth Epic in scope this provocative book explores the connections between religious belief and cosmic theory even as it attempts to explain contradictions and irregularities in the text The Bible states Ledo was constructed as a living document with much of its text expanded as time went on If readers

stripped away this added material they could actually be left with an Early Bronze Age text over a thousand years older than what is currently accepted by scholars This text suggests Ledo would be a veritable cosmic myth which follows the constellations with stories in a contiguous fashion that combine both history and myth Originally sold as On Earth as it is in Heaven The Cosmic Roots of the Bible The Bible's Amazing Hidden 2% William L. Wagner,2021-04-12 My background is that I am a licensed civil engineer a pastor a professor of theology a university president and a missionary As a young theology student reading the Bible I found many verses of Scripture that I could not fully understand In going to commentaries and speaking with professors I did not receive the answers that I was looking for This book is an attempt to look at many of the problem areas of the Scriptures and to find the reasons why they appear in the Bible I found that only about 2 percent of the Bible begins to open the door to the real meanings of heaven hell eternity angels demons etc This 2 percent is important for us to correctly realize that God does not expect us to understand more than what He has given in His Word Our Heavenly Father has revealed to us what we need to know while here on earth The Bible begins with creation and ends with the final judgment Above us is heaven and below us is hell This book gives a diagram which shows us the area of interest in his revealed Word What exists outside of this area of revelation is unknown to us because God decided not to reveal all to us Much of my ministry has been working with university students in many countries They often look at these problem scriptures and need good answers but seldom get them such as the whole concept of creation Realizing that the Bible is not a book of science but a book that shows us how to live I feel that there is a good explanation that students can and will accept I am convinced that it will never be possible for us to fully understand all of God s Word but in looking at these problem verses and understanding why they have been given we come to the conclusion that much of the Bible will never be truly understood while we live here on earth However many of these verses open the door to even a greater understanding and that is for us to know how truly great our God is The Hidden Bible William Leary,1952 **The Hidden Wisdom in the Holy Bible: The golden grain of wisdom in the Book of Genesis (Genesis- chapters twenty-five to fifty)** Geoffrey Hodson,1970 The Real Narrow Path into the Hidden Kingdom of God Joseph Ho,2015-08-28 This book was birthed as a result of seeing many sincere Christians falling into heresy myths and fairy tales spun by irresponsible preachers who would speak anything in order to gain an audience through lies and deceit The contents of this book are not fictional They were all painstakingly tested and lived in order to test the doctrines learnt in the modern churches This book is dedicated to help those who want to move in the Spirit of God to be truly led by him and not by man made rules and teachings which have no power to manifest the presence of God in their walk The author teaches how to hear from God and the main principles or laws in the kingdom of God that is true kingdom living The author was ordained and called by God through three distinct verses given supernaturally by the Holy Spirit these are Numbers 33 33 Job 33 33 and Ezekiel 33 33 **Breaking the seals; or, The key to the hidden mystery. **etc** Victoria Claflin WOODHULL (afterwards MARTIN (Victoria Claflin Woodhull)), 1875      **The Hidden Secret Power of Freemasonry** Robert Kallan, P.M., 2022-08-01 It is entertaining to be anti-Masonic and perpetuate conspiracy theories and stories based on satanic worship rather than join Freemasonry or any other private organization primarily structured with improving the individual in society The Masonic term making good men better is the desire of the craft concerning all people living in a multicultural society to better themselves This is masonry in a nutshell To achieve this betterment takes a great deal of work and self-inspection which the critics of the craft refuse to endure and fail to examine the important historical esoteric symbols associated with the craft This book is dedicated toward neutralizing such superficial negative ideology pursued by critics who have a personal interest in negating the significant works of the greatest fraternal organization in the world Contained herein are chapters on women in Freemasonry the Catholic Church and Freemasonry which contains an addendum relating to over one hundred cardinals and bishops who under pseudonyms were Freemasons a chapter on the 133rd Psalm providing a line-by-line interpretation of a work which provides the important ideological humanistic basis for both society and Freemasonry with an important chapter analyzing the final end-period of a man's life as it related to Ecclesiastes Chapter 12 Men join Freemasonry because in their hearts they seek to improve themselves In a reality any can start living as principled individuals exercising the same values without being a Freemason All that is required is desire and work effort with a foundation from the Holy Bible to betterment of himself However the Masonic Craft assists an individual in this journey by providing defined structure support and a roadmap that helps focus the advancement and as such increases the probability of a successful outcome Freemasonry centers on learning how to charge one's self with thought and physical conduct However in order to improve one must read study and understand the true nature of reality in life buttressed by the role of oneself and those with which one socializes This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry's symbolism is taken from biblical sources especially Genesis and the stories surrounding the building of King Solomon's temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry's major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate candidates into the mysteries of the craft unless

the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin *Hidden in Plain Sight* Boyd Seevers,2012-04 In a friendly accessible way a Bible professor shows how you can learn and grow from the often ignored and overlooked parts of the Bible **The Hidden Wisdom in the Holy Bible: The golden grain of wisdom in the book of Genesis (Genesis - chapters 1-25)** Geoffrey Hodson,1967 Hidden Bible Taboos Forbidden By Organized Christianity James Slobodzien,2014-05-01 Have you ever wondered about the Mysteries of God s wisdom or the secret to knowledge Jesus condemned the religious leaders of his day for taking away the Key to Knowledge Luke 11 52 This remarkable article anthology may have accidentally uncovered some of these ancient mysteries that are now considered TABOO to help you to read and really understand the Bible Less Could the 7 Pillars or dimensions of Wisdom Pro 9 1 possibly be related to the Key to Knowledge Hidden Bible Taboos began as one short essay that just for fun proposed a 7 Dimension Theory of Everything but several readers encouraged me to continue researching it and I soon discovered that it is the nature of the Universe for things to exist in 7 s For example there are 7 types of Matter and 7 forms of Energy in the universe When we consider Time the 7 Day calendar week continues to be universal and immemorial in its observance among all nations and in all times Space our earthly physical space is divided up into 7 Continents 7 Oceans and 7 Seas After studying the multiple patterns of 7s in the universe s numerical DNA I turned my focus to ancient cultures and was shocked to find that in the ancient wisdom writings including Christianity the number 7 stands for spiritual perfection and divine completeness For example the Bible s book of Isaiah mentions the 7 Spirits of God the Father Isaiah 11 2 The Apostle John mentions the 7 Stars of God the Son Rev 1 20 and the Apostle Paul mentions the 7 Gifts of God the Holy Spirit Rom 12 6 8 In addition Zechariah mentions the 7 Eyes of the Lord which range throughout the earth Zech 4 10 This incredible phenomenon of multiples of 7 cannot be explained by chance or human design It is in these 7 Pillars of God s Wisdom that I have experienced a paradigm shift that has opened my eyes to see this divine tapestry to gain a better understanding of the Bible The 7 Dimension articles were written as independent brief essays over a period of 7 years After receiving comments from many readers over the years sometimes secretly a theme became apparent that seemed to be pointing to the fact that these divine truths of the 7 dimensional 7D biblical patterns of 7 were not being taught by the professional religious leaders of Catholic and Protestant Churches because they were forbidden by custom or tradition They are TABOO This compilation of independent articles indirectly provides a historical overview of the ancient world that leads up to the time of Jesus and the Early Church and reveals some Taboos related to sex drugs violence and racism The majority of the Taboos in this book however are not related to ancient mysterious pagan practices The most significant Taboos in this book are coming from professional church leaders of organized religions of Christianity today who forbid their church

members from knowing and practicing what is written in the New Testament and commanded by Jesus and his Apostles

Hidden Bible Taboos is a collection of these 7D articles that have accidentally uncovered and systematically integrated ancient religious mythologies archeological mysteries scientific and historical facts and End Time prophecies to reveal the Christian Sun god conspiracy It is not a formal theological treatise on spirituality and or religion as it is a work in progress that is very very far from perfect With the above disclaimer to having and or knowing the absolute truth I would like to present what I believe to be the 7 dimension 7D origins of ancient religious knowledge and ageless wisdom that have been passed down to us by our ancestors So put on your 7D glasses
