René Padilla, 2010-10-04 Ren Padilla was one of the premier representatives of orthodox evangelicalism in Latin America He consistently championed integral mission a holistic understanding of Christian mission in which there is no artificial barrier between evangelization and social responsibility Biblical faithful to Scripture contemporary and inspirational the core message of this updated classic remains just as urgent as when it was first published twenty five years ago This revised version includes a new essay on the contemporary history of integral mission a history that began with the Latin American Theological Fellowship progressed within the Lausanne Movement is bearing fruit globally through the Micah Network and challenges evangelicals to address the major issues of our day

Mision en el camino Charles E. Van Engen, 2019-02-28 Durante los pasados cincuenta años el nfasis sobre la prctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teología de la misión Sin embargo en las últimas décadas teólogos y misioneros de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teológicas que fundamentan la obra misionera En Misión en el Camino Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teología de la misión Charles Van Engen en este volumen aborda numerosos temas misionológicos centrales Examina la cuestión de construir teologías en contextos específicos tales como en la ciudad También nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes Hace un delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el carácter único de Cristo sin ser arrogantes y triunfalistas Echa una mirada al impacto que la modernidad y la posmodernidad están teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovación de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros días Explora los roles cambiantes de misioneros y ministros en iglesias jóvenes y levanta preguntas difíciles relacionadas con la unidad de la iglesia en medio de su proliferación diversidad y fragmentación de carácter global Son de excepcional valor la manera en que Van Engen traza la historia de la discusión reciente sobre cada uno de estos asuntos y la riqueza de fuentes bibliográficas que nos presenta para más estudio Igualmente importantes son las repuestas que ofrece a estas cuestiones respuestas que nos ayudan a movernos más allá de los caminos sin salida que tanto caracterizan nuestro pensamiento actual Tomado del Prólogo escrito por Pablo Hiebert

A New Handbook of Christian Theologians Donald W. Musser, 1996 In recent years the flow of Christian theology has been channeled in diverse streams represented by such trends and movements as black theology liberation theology feminist theology and womanist theology To survey this abundance and diversity of current Christian theology this book examines the theologies of representative theologians Particularly to help students navigate the sea of information the editors have identified various routes for reading and have traced several threads or issues common to many

of the essays thus demarcating such recurrent concerns as the ways in which the theologians consider the sources and goals for theology their variant assumptions and conclusions about the nature of God their divergent approaches to understanding the person and purpose of the Christ and their distinct expectations for the destiny of history and faith **Popular Religion and Liberation** Michael R. Candelaria, 1990-01-01 El tema del libro es la ambivalencia de la religiosidad popular para la teología de la liberación y para la liberación misma Enfoca el asunto en dos posiciones de opuesta apreciación de la religiosidad popular la de Juan Carlos Scannone y la de Juan Carlos Scannone y la de Juan Carlos Scannone **Popular Voices in Latin American Catholicism** Daniel H. Levine, 2014-07-14 Throughout Latin America observers and activists have found in religion a promise of deep and long lasting democratization But for religion to change culture and politics religion itself must change Such change is not only a matter of doctrine ritual or institutional arrangements but also arises out of the needs values and ideas of average believers Combining rich interviews and community studies in Venezuela and Colombia with analysis of broad ideological and institutional transformations Daniel Levine examines how religious and cultural change begins and what gives it substance and lasting impact The author focuses on the creation of self confident popular groups among hitherto isolated and dispirited individuals Once silent voices come to light as peasants and urban barrio dwellers reflect on their upbringing and community on poverty and opportunity on faith prayer and the Bible and on institutions like state school and church Levine also interviews priests sisters and pastoral agents and explains how their efforts shape the links between popular groups and the larger society The result is a clear understanding of how relations among social and cultural levels are maintained and transformed how programs are implemented why they succeed or fail and how change appears both to elites and to ordinary people Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Forming Christian Disciples* David Lowes Watson, 2002-04-26 In this volume David Lowes Watson provides a basic resource for the formation of faithful Christian disciples and the revitalizing of congregations Beginning with a Christ centered model for the church Watson shows how leaders in discipleship are the key to vital congregations He then offers procedures for introducing and sustaining covenant discipleship groups as a means of developing these leaders and concludes with guidelines for the office of class leader as a means of implementing their leadership How does a congregation decide on covenant discipleship How are the groups formed What is the role of a class leader How do class leaders connect with other leaders in the congregation These questions and much more are the subject of a resource that is foundational for any congregation wishing to revitalize its life and work through the forming of faithful Christian disciples This volume is the third in a trilogy Covenant Discipleship Class

Leaders and Forming Christian Disciples **Freedom and Existence** Matthew Aaron Tennant, 2023-08-07 Is theology a dead corpse or living organism For Uruguayan Jesuit Juan Luis Segundo 1925 1996 theology is dynamic Freedom and existence for central themes Segundo believed that theology should be transformative in human lives For a theology to be transformative there must be a connection to existence That is it must be existential Yet most scholars have overlooked this assumption in critical analyses of liberation theology This prima facie connection to existence is distinguishable from existentialism as a school of philosophy By showing the significant existential dimension to Segundo s theology assessing his work and contribution to twentieth century theology relates to freedom ecumenism the role of faith in society and the relationship between faith and ideologies **Spirituality and Liberation** Robert McAfee Brown, 1988-01-01 Argues that there should not be a separation between spiritual and temporal concerns looks at liberation theology and discusses spirituality and sexuality **Passover, Pentecost and Parousia** , 2019-05-21 Dr R Hollis Gause has been Professor of Theological and New Testament Studies at Lee University and the Church of God Theological Seminary in Cleveland Tennessee for many years and his huge contribution to Pentecostal scholarship is held in high regard internationally His influential life and ministry as well as his teaching and scholarship are here celebrated in his 85th year by many of his colleagues and former students Contributors are Contributions K E Alexander L R Martin R D Moore J M Beaty J A Adewuya J C Thomas K J Archer S E Han T L Johns D G Roebuck J P Bowers C Bridges Johns C R Cason M O McMahan D W Slocumb R E Waldrup
