

The Hidden People

M Planty

The Hidden People:

The Hidden People Paul H. Deal, 2002 Lems small furry people live in secret passages within the buildings of the much larger zooks Zooks hunt poison and trap their small neighbors unaware of their true nature Then the lem leader Old Gray announces The time has come and the lems leave their warrens and begin a prophesied journey to the Portal where the Chosen are destined to go to a mysterious place called Tomorrow Zooks learn of the exodus and frightened by the danger the lems pose to long term zook security begin an all out campaign to destroy them before any escape Trez thirteen years old and Chosen flees with his mother and sister from the only home they have ever known Racing against time he and his family cross deserts forests and mountains living on what they can find or steal from their zook enemies Along the way they dodge the zooks their fierce deggs and kaats and the most awesome danger of all zook hunter killer robots Driven by faith as much as reason they risk all to fulfill a prophecy they scarcely comprehend in search of a future beyond their imagination *The Hidden People* Leo Edward Miller, 1920 **The Hidden People** Alison Littlewood, 2016-10-06 A chilling Gothic mystery from the bestselling author of Richard Judy Book Club hit *The Cold Season* perfect for fans of Susan Hill *The Coffin Path* and *The Silent Companions* where superstition and myth bleed into real life with tragic consequences The twist is brilliant Daily Mail Intriguing and unsettling Sunday Express Pretty Lizzie Higgs is gone burned to death on her own hearth but was she really a changeling as her husband insists Albie Mirralls met his cousin only once in 1851 within the grand glass arches of the Crystal Palace but unable to countenance the rumours that surround her murder he leaves his young wife in London and travels to Halfoak a village steeped in superstition Albie begins to look into Lizzie's death but in this place where the old tales hold sway and the Hidden People supposedly roam answers are slippery and further tragedy is just a step away A skilful blend of the supernatural and the psychological If you enjoyed Jonathan Strange Mr Norrell by Susanna Clarke and the *Woman in Black* by Susan Hill this is one for you Mature Times **The Hidden People of North Korea** Ralph Hassig, Kongdan Oh, 2015-04-16 This unique book now fully updated provides a comprehensive overview of all aspects of life in North Korea today Drawing on decades of experience noted experts Ralph Hassig and Kongdan Oh explore a world few outsiders can imagine In vivid detail the authors describe how the secretive and authoritarian government of Kim Jong un shapes every aspect of its citizens lives how the command socialist economy has utterly failed and how ordinary individuals struggle to survive through small scale capitalism Weighing the very limited individual rights allowed the authors illustrate how the political class system and the legal system serve solely as tools of the regime The key to understanding how the North Korean people live the authors argue is to realize that their only allowed role is to support Kim Jong un whose grandfather founded the country in the late 1940s Still a cypher Kim Jong un as did his father before him controls his people by keeping them isolated and banning most foreigners North Koreans remain hungry and oppressed yet the outside world is slowly filtering in and the book concludes by urging the United States to flood North Korea with information so that its people can make

decisions based on truth rather than their dictator's ubiquitous propaganda

The Hidden People of the Sierra Pasquale De Marco, 2025-04-18 Journey into the heart of the Sierra mountains and discover a world unlike any other. Home to a resilient people with a rich cultural heritage, the Sierra region is a place of breathtaking beauty, ancient traditions, and enduring strength. In this captivating book, we take you on an immersive journey into the lives and culture of the Sierra people. You will learn about their fascinating history, their unique customs and practices, and their deep connection to the land. You will discover their art and music, their language and storytelling, and their profound reverence for the natural world. Through the eyes of the Sierra people, you will gain a deeper understanding of the human spirit, the importance of community, and the power of resilience. You will learn about the enduring strength of traditions, the beauty of diversity, and the importance of living in harmony with the land. This book is more than just a travelogue; it is an exploration of the human experience itself. As you journey through the pages, you will come to appreciate the richness of human culture and the resilience of the human spirit. Whether you are a seasoned traveler, an armchair adventurer, or simply someone who is curious about the world's diverse cultures, this book promises to transport you to a place that is both captivating and inspiring. It is a journey that will stay with you long after you have turned the last page. Discover the hidden treasures of the Sierra mountains and the enduring spirit of its people. Immerse yourself in a world that is both ancient and modern, both familiar and exotic. This book is an invitation to embark on a journey that will change your perspective on the world and leave you with a renewed sense of wonder and appreciation for the diversity of human experience. If you like this book, write a review on Google Books.

Ghosts, Trolls and the Hidden People Dagrún Ósk Jónsdóttir, 2025-06-12 From the land of the sagas, a collection of little-known tales from myth and lore, many available in English for the first time. This unique and enchanting book opens the door to a captivating world of Icelandic folk legends, unfolding across six chapters, each based on a different setting: farm, wilderness, darkness, church, ocean, and shore. The anthology provides translated tales from the nineteenth and twentieth centuries, as well as introductions by the author that place these often supernatural happenings in the context of Icelandic society. The legends include tales of hidden people, trolls, ghosts, sea monsters, and even polar bears, exploring themes of love, revenge, and conflict. The book highlights the tension between Christianity and heathen beliefs, past and present, nature and humanity, and divides within society. Drawing from a wide variety of Icelandic sources, the book makes these colorful, entertaining, lively stories available to non-Icelandic speakers, many for the first time.

The Little Book of the Hidden People Alda Sigmundsdóttir, 2022-01-21 Icelandic folklore is rife with tales of elves and hidden people that inhabit hills and rocks in the landscape. But what do those elf stories really tell us about the Iceland of old and the people who lived there? In this book, author Alda Sigmundsdóttir presents twenty translated elf stories from Icelandic folklore, along with fascinating notes on the context from which they sprung. The international media has had a particular infatuation with the Icelanders' elf belief, generally using it to propagate some kind of kooky Icelanders' myth. Yet Iceland's elf folklore, at its

core reflects the plight of a nation living in abject poverty on the edge of the inhabitable world and its people's heroic efforts to survive physically emotionally and spiritually That is what the stories of the elves or hidden people are really about In a country that was at times virtually uninhabitable where poverty was endemic and death and grief a part of daily life the Icelanders nurtured a belief in a world that existed parallel to their own This was the world of the hidden people which more often than not was a projection of the most fervent dreams and desires of the human population The hidden people lived inside hillocks cliffs or boulders very close to the abodes of the humans Their homes were furnished with fine sumptuous objects Their clothes were luxurious their adornments beautiful Their livestock was better and fatter their sheep yielded more wool than regular sheep their crops were more bounteous They even had supernatural powers they could make themselves visible or invisible at will and they could see the future To the Icelanders stories of elves and hidden people are an integral part of the cultural and psychological fabric of their nation They are a part of their identity a reflection of the struggles hopes resilience and endurance of their people What you will read about in *The Little Book of the Hidden People* The fascination in the international media why are they so obsessed with elves The meaning of elf what do hidden people stories tell us about the psyche of the Icelanders of old The elves badassery they could make or break your fortune so you'd better be nice The lǫflingar hidden men who became the lovers of mortal women Glamorous and regal why were the elves so damn good looking The grim realities what do scholars believe about all those children abducted by elves and so much more

Hilda and the Hidden People Luke Pearson, Stephen Davies, 2024-10-01 Middle grade Hilda fans will be thrilled to discover the Netflix tie in chapter books that take readers on Hilda's adventures are now available in paperback Meet Hilda explorer adventurer avid sketchbook keeper and friend to almost every creature in the valley Join our beloved heroine as she encounters her very first troll negotiates peace with some very persnickety elves and reunites two lovelorn ancient giants Fantastic creatures and daring adventures are all just part of another average day for Hilda but what will she do if she is forced to move to Trolberg city far away from her beloved valley home Dive into the adventure with this illustrated chapter book based on the first two episodes of the show The first book of the Hilda animated series tie in novels gets a new paperback edition The Hidden Jessica Verday, 2012-01-26 In this the long awaited conclusion to the saga of Abbey and Caspian readers finally learn the truth about Kristen's death the dark destiny that links Abbey to Caspian and the hard choices that Abbey must make if she is to accept Caspian's love and their unexpected fate *The Hidden Years* John Oxenham, 1925 **A Voice from the Pew** Walter Smith Allen, 1887 **The Hidden Side of Christian Festivals** Charles Webster Leadbeater, 1920 *Meditations on the principal truths of religion and on the hidden and public life of our Lord* Tobias Kirby (R.C. abp. of Ephesus.), 1892 *The Fortnightly Review*, 1900 Literature, 1899 Booklist Books, a Selection American Library Association, 1922 *The Saturday Review of Politics, Literature, Science and Art*, 1923 The Hidden Road Wadsworth Camp, 1922 The Hidden Spring Roberto Bracco, 1907 *The Publishers Weekly*, 1922
