Benyei, E. Lorraine Frampton, Nancy Myer Hopkins, Patricia L. Liberty, Deborah J. Pope-Lance, 2005-12-30 This ebook is now available from Bloomsbury Academic Bloomsbury Academic publish acclaimed resources for undergraduate and postgraduate courses as well as the general reader across a broad range of subjects including Archaeology Art Visual Culture Biblical Studies Business Management Drama Performance Studies Economics Education Film Media History Linguistics Literary Studies Music Sound Studies Philosophy Politics International Relations Psychology Religious Studies Social Work Social Welfare Sociology Study Skills Theology and Wellbeing Health Lifestyle Visit bloomsbury com for more information Spiritual Capital Samuel D. Rima, 2017-07-05 Presenting a thorough comprehensive theory of spiritual capital based on solid academic research Spiritual Capital serves to reinforce and amplify the notion of a moral economic core that is beginning to feature in contemporary economic arguments In this rare major work wholly dedicated to the subject of spiritual capital Sam Rima explains the desperate need for revolutionary and transformational thinking in the area of economic policy and practice and makes the case for a new moral foundation to business and economics that directly addresses today's financial and business crisis Writing in an accessible style and drawing on examples from several continents Rima explains spiritual capital theory in terms of the resources needed for its creation how it is formed how it can be invested and what the return on investment can be The book provides practical tools for measuring a personal or organizational store of spiritual capital along with clear guidelines on how to engage in spiritual capital formation These will benefit business leaders interested in developing viable and sustainable enterprises capable of avoiding the disconnection between economic policy and social reality There are also

recommendations here for policy makers regarding the macro application of spiritual capital theory This important contribution to Gower's Transformation and Innovation Series will appeal to business leaders and policy makers academicians and students in the fields of sociology theology and economics and anyone interested in social and economic justice issues social innovation and corporate social responsibility

Communal Discernment Brian Grogan, 2025-03-31 Helps communities and groups grow in communion enhance communication and make collaborative decisions using Ignatian discernment practices effectively This book is aimed at groups communities parishes institutions couples teams students young adults etc who wish to grow in communion and make decisions together The book is based on a wealth of experience shares numerous examples and provides a toolbox that has proved its worth Esdac is a Christian Ignatian international association that puts Ignatian spirituality at the service of groups and offers in various ways a journey of discernment inspired by the Spiritual Exercises of Saint Ignatius to associations communities families couples and groups They encourage participants to learn to communicate better with each other so that everyone is listened to and dares to express themselves They help to discern the call that the Lord addresses to them today by listening to each of the members and to the whole group The group explore directions together and make mature decisions together This comprehensive guide will help leaders to implement the programme in practice

Mysticism and Social Transformation Janet K. Ruffing, 2001-02-01 Where do Mysticism and and political action meet How does faith empower its adherents to resist oppression What are the origins of authentic contemporary mysticism From the thirteenth century Franciscan movement to African American mystics this wide ranging volume of essays considers exemplars of Christian mysticism including Teresa of Avila Ignatius of Loyola the Quakers and the Society of Friends whose practices and influence brought about social change Linking major conceptual issues and social theory the essays examine the historical impact of mysticism in contemporary life and argue for a hermeneutical approach to mysticism in its historical context The contributors look at how mystical empowerment can serve as a catalyst for expressing compassion in acts of justice and long term social change We learn how Sojourner Truth and Rebecca Cox Jackson driven by mystical experiences to take up lives of preaching faced the same misogynistic religious environments as did women mystics throughout history which has submerged this key area of women's experience The final two essays describe the development of socially engaged Buddhism in Asia and America and the mystical roots of deep ecology

The Lived Experience of Group Spiritual Direction Rose Mary Dougherty, Monica Maxon, Lynne Smith, 2003 These moving positive essays witness the experiences of participants in Shalem Institute's group spiritual direction workshops Each author relates what he or she learned as a member mentor or facilitator of a spiritual direction group a community gathered together to seek and share a desire for God in communal silence dialogue intercessory prayer and discernment and adapts it to a specific setting the family workplace congregation seminary the homeless The result is this collection a loving gentle testament to the power of spiritual direction groups that enables young and old clergy and laity of all faiths to realize

celebrate and proclaim a commonality of greater spiritual purpose Fluid and well honed The Lived Experience of Group Spiritual Direction is of great value to seminarians graduate students church organizations clergy and laity of all faiths as well as to anyone seeking guidance on the value of group spiritual direction It features biographies of its numerous contributors For Others to Follow Paul K. Bates,2021-06-15 For Others to Follow is a call for Spirit led leadership guided by a grounded theory derived from a multi layered analysis of rich firsthand narratives given by respondents to a research questionnaire and reflected through four decades of experience Taken together the recommendations in this book underpin an ethos a character of leadership that will invite others to follow and to emulate while the leader herself grows and blooms

Guide Me into Your Truth Rolf A. Jacobson,Jacqueline E. Lapsley,Kristin J. Wendland,2023-11-20 In his forty plus years of work as a biblical scholar Dennis Thorald Olson has illumined the meaning of the Bible for his readers and hearers in diverse ways Among the topics he has taken up in his scholarship and teaching are the nature of leadership life in community the relation of science and theology Jewish Christian relations repentance and forgiveness and many many more In this essay collection a number of Dennis s students colleagues and friends respond to the profound values and seminal ideas at the heart of his work and take up the profound question of truth as it pertains to Scripture a question that Olson himself urged biblical scholars to consider in his inaugural address from over twenty years ago The Wisdom of the Seasons Charles M. Olsen,2009-10-30 The church year is often seen as a framework for church programs but well known Alban author Charles Olsen shows readers how it can be a prism through which congregations more deeply understand their own stories By weaving together our narratives and those of Christian tradition a congregation can clarify its identity grow in wisdom and discover a new vision and ministry Olsen draws parallels between the church seasons and practices of spiritual formation letting go naming and celebrating God s presence and taking hold He shows us how these movements are expressed in the three major cycles of the church year Christmas Easter and Pentecost Focusing on communal narratives he presents a process for telling a story and forming a corporate memory of the story and then deepening and reflecting on it by exploring the season of the church year that captures its character *A Struggle for Holy Ground* C. Michael Weldon,2004 A Struggle for Holy Ground results from thirty five interviews with participants in the 1989 consolidations of then parishes in Chicago s Englewood and two parishes from the San Francisco consolidations after its 1989 earthquake It explores the roles of ritual and pastoral care in this sometimes highly conflicted situation through the lens of trauma and reconciliation It proposes a series of new rites group reconciliation atonement lament leave taking memorial and inauguration based on the experience of people most impacted by parish restructurings **Quaker Life** ,2001 **Compassionate Eschatology** Ted Grimsrud,Michael Hardin,2011-06-01 Do eschatology and peace go together Is eschatology mostly about retribution and fear or compassion and hope Compassionate Eschatology brings together a group of international scholars representing a wide range of Christian traditions to address these questions Together they make the case that Christianity s teaching about the

end times should and can center on Jesus's message of peace and reconciliation. Offering a peace-oriented reading of the Book of Revelation and other biblical materials relevant to Christian eschatology, this book breaks new ground in its consistent message that compassion, not retribution, stands at the heart of the doctrine of the last things. Besides its creative treatment of biblical materials, *Compassionate Eschatology* also makes a distinctive contribution in how several essays engage the thought of René Girard and his mimetic theory. Girard's project is shown to reinforce the biblical message of eschatological peace.

The Calling of Congregational Leadership Larry L. McSwain, 2013-05-30. Leading is a calling from God, but that doesn't mean it is easy. There are choices to be made about what your congregation believes, how your church organizes for effective ministry, and how your church serves the settings of which you are a part. The good news is that others have gone before you. Author Larry L. McSwain's forty years of experience can help guide you through these choices. Rooted in research, *The Calling of Congregational Leadership* teaches a three-pronged approach to congregational leadership: being a good leader, the knowledge needed by the leader, and the managing of ministry leadership. By using this practical, holistic approach to leading congregations, McSwain shows you how to use your church's potential for conveying the power of God in the lives you touch. *The Calling of Congregational Leadership* is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world. The Psychoanalytic Study of Organizations Burkard Sievers, Arndt Ahlers-Niemann, 2007.

The Secret Spiritual World of Children Tobin Hart, PhD, 2010-10-06. Many of the great mystics and sages in history have told us that their spiritual realizations began in childhood. Gandhi, Albert Einstein, and Abraham Lincoln are just a few famous figures who have reported these events. Based on more than five years of interviews, this book combines startling firsthand accounts of secret spiritual lives, including recollections from adults who have forgotten or repressed such experiences in childhood. The author explains how parents, educators, and therapists can recognize, identify, and nurture children's deep spiritual connections. The book is divided into ten chapters treating the phenomena of wisdom, wonder, and visions, including guiding parents along the spiritual path, building a curriculum, and learning from children.

Exploring the Spiritual David R. Matteson, 2011-03-17. Gain solid empirical findings to understand your own spiritual development. To significantly impact clients' spirituality and use the spiritual strengths the client possesses to facilitate their move toward health, a counselor must be willing to explore his or her own spiritual development. *Exploring the Spiritual Paths for Counselors and Psychotherapists* provides cognitive information grounded in the empirical findings of social science, as well as experiential material which encourages the counselors' own spiritual quest. This invaluable source clarifies the interface between the counselor's spirituality and the client's and allows the spiritual dimension to emerge appropriately in the counseling process. *Exploring the Spiritual Paths for Counselors and Psychotherapists* provides challenging questions and exercises that lead the counselor or psychotherapist through a personal

exploration to attain the maturity of development needed to facilitate the client's spiritual growth. The text, written in an accessible narrative style, features helpful case studies and personal anecdotes to illustrate the concepts and processes described. Each chapter includes an overview of an issue, develops an argument or position, and presents a focused exploration of some relevant empirical research that is presented in a context that helps the reader see its personal implications. The final section leads the reader through exercises and experiments helping them to focus on the counselor's own inner experience or encouraging the counselor to experiment with new behaviors. This insightful resource encourages the counselor to work directly with the client's spiritual experiences and conceptualizations without imposing on the client the beliefs of the counselor. Topics discussed in *Exploring the Spiritual Paths for Counselors and Psychotherapists* include models of spiritual development, steps toward spiritual maturation, the contribution of crises in belief and in values, the physical/emotional self, and the contribution of passion and sexuality. Overcoming the divisiveness of age, race, gender, sexual orientation, and culture; coping with suffering; discovering one's own paths to the spiritual. *Exploring the Spiritual Paths for Counselors and Psychotherapists* is a valuable resource for counselors, psychotherapists, counselor educators, and graduate students in psychology, counseling, psychotherapy, social work, and psychiatry.

Grieving with Your Whole Heart Editors at SkyLight Paths, 2015-07-30. This soulful companion for grief offers wisdom and creative spiritual practices from across faith traditions for walking with sorrow and honoring loss. Whether you need to grieve in words or silence, in solitude or in company with others, this compassionate guide will help you find wholeness and a renewed vision of yourself and the world.
