years to survive     *One Brief Shining Moment* William Manchester, 2017-01-10 A New York Times bestselling historian looks back on the Camelot of the early 1960s and makes the Kennedy days look glamorous again Kirkus Reviews starred review In his renowned biographies *Portrait of a President* and *The Death of a President* William Manchester intimately and meticulously detailed the life and death of President John F Kennedy *One Brief Shining Moment* is a celebration of that life based on Manchester's own recollections of his time with one of America's most famous families John Kennedy first met William Manchester in 1946 beginning a friendship that would follow him to Washington and eventually the White House But beyond the closed doors of the Oval Office Manchester enjoyed a close relationship with the Kennedys Drawing on family gatherings in New England trips along the campaign trail and informal private talks with JFK himself this is William Manchester's personal account of the man behind the legend someone he truly admired and was proud to call a friend *One Brief Shining Moment* provides a firsthand look at the thought process behind JFK's most important decisions as president his drive to move the country in a new direction and his closest relationships This is a book about a man about a life and about a triumphant moment in American history

*A Guide to the Notorious Bars of Alaska* Doug Vandegraft, 2017-11-15 New revised second edition Since *A Guide to the Notorious Bars of Alaska* was first published in 2014 eight of the bars that were described in the first edition have closed their doors forever The revised second edition includes five additional bars that meet the criteria Also added to the second edition are regional maps and more historic photos and advertisements The Lower 48 have created myths and legends about things Alaskan Things in Alaska are bigger colder wilder fiercer more independent more rugged more resourceful to name just a few of the qualities that surround the Alaska myth However the one that says Alaskan bars stand head and shoulders above bars anywhere else just might be true When author Doug Vandegraft moved to Alaska after graduating college in 1983 he found himself in the wild west style bar scene in Anchorage Nearly two decades later he officially began conducting research on Alaskan bars that he found as unique as everyone believed *A Guide to the Notorious Bars of Alaska* details the rich history and atmosphere of remarkable one of a kind Alaskan bars many of which have been around since the end of Prohibition in 1933 and have become legendary in their communities and beyond as places to socialize meet friends come in from the cold and sometimes as community centers or even as churches Despite stricter laws regarding alcohol sale and consumption Alaska's bars remain notorious in many ways

*Walter Brueggemann's Prophetic Imagination* Conrad L. Kanagy, 2023-10-24 In this theological biography of the most prolific Old Testament student of the twenty first century Conrad Kanagy portrays Walter Brueggemann within the historical and cultural landscape of his formation Kanagy follows Walter from his childhood home in Blackburn Missouri to Elmhurst College Eden Theological Seminary and Union Theological Seminary Kanagy introduces us to the teachers who most influenced Brueggemann's personal and theological development We observe Walter Brueggemann's unflappable energy as he moves toward the publication of *The Prophetic Imagination* which will land him on the theological map of biblical studies

and the American church This breakthrough will define the rest of Brueggemann s life as he pivots among the biblical text classroom church and world The book addresses the riddle of The Prophetic Imagination s surprising emergence and enduring resilience peering deeply into the theologian s interior life about which little has been understood by even those closest to him If all theology is biography we have missed much about Brueggemann s understanding of God by knowing so little of his person The book s integration of his work and life within his community across nine decades reveals the most complete portrait to date of this remarkable prophet pastor preacher teacher and friend Still after all the careful research much of who Walter Brueggemann is remains a mystery He rejects reductionist portraits of himself the biblical text and God He recognizes that the worlds we construct theologically are messy perhaps because he sees the wild and woolly God of the world as more than a bit messy a God who cannot be fully measured a God who pivots just when we imagined we knew the way and a God whose mystery and preference for openness and unpredictability are enough to keep any one of us on our toes
