

PRELUDE

A Lyric Road To Yesterday

A few years ago, at the time of the short-lived *Harvey* over a very young soprano in New York, an estimable institution of lofty aims and traditions was host to a banquet sponsored in its recognition of the American singer. One of the speakers had the hardihood to remark that the banquet was, in reality, in recognition of the recognition of the American singer.

Over several decades, and with increasing emphasis on the novelty as well as the pride of it, the American public has been discovering and rediscovering the American singer, as if he and she were a new apposition in the operatic heavens. This has worked no considerable ill, save as it may have affected the temper or the digestion of the historically-minded. It is fair to assume that living American artists who retired before, or between, these discoveries and rediscoveries have had the awareness of spirit and the humor of outlook to smile indulgently on the successive revelations of something new under our western sun. Though at almost any time within a half-century, the roster of those American singers living in retirement would have made a showing which, for national and even world fame, could scarcely be challenged by any particular year's discoveries, that circumstance could hardly be expected to divert an up-to-the-minute public from the celebration of its own hour. The listening ear, of course, is for those who sing today, as the ear of memory is for those who sang on a yesterday. But the American singer of any given day is not to be regarded as the product of something that miraculously came into being overnight; and if he now stands on a plane of equality with the European artist, with no such need, real or imaginary, to Italianize, Germanize or Frenchify a homely American name as was true of
