The Fabulous Sinkhole and Other Stories Jes s Salvador Trevi o, 1995-04-01 The Fabulous Sinkhole and Other Stories is a first collection of short stories by noted film director and writer Jes s Salvador Trevi o Trevi o s decision to write a collection of short stories arose from his frustration over years Hollywood rejecting his film projects with Hispanic characters and themes Rather than give up he channeled his energy into these short stories Through his interconnected stories Trevi o gives us an off beat magically real and at times raucous vision of life in the barrios of Arroyo Grande Texas Ever the observer of the tragicomic human scene Trevi o recreates for the reader the world of adults as overheard and filtered through the understanding of the young Each adult action creates a wave of repercussions for the children be it love triangles petty jealousies or revenge The rich texture of the narrative and the rich diversity of Hispanic characters all come to a romping feverish end with a fantasy that features an army of movie stereotypes of Hispanics who have returned as zombies bent on avenging themselves on Hollywood directors and screenwriters

The Source of Life and Other Stories Beth Bosworth, 2012-09-24 Post divorce dating is one more cause for celebration or a quick call in to the police in Beth Bosworth's revelatory new book *The Source of Life and Other Stories* The spine of this collection is a series of linked stories about Ruth Stein a Brooklyn author whose first book has exposed her father's abuses while the voice here speaking across a lifetime ranges from bittersweet to humorous to lethal In other stories Bosworth's narrators a mother left to care for her son's suicidal dog an editor haunted by a dog-eared manuscript seem to grab hold of the reins and run off with their fates Meanwhile Bosworth explores the extended family the bonds of friendship an apocalyptic Vermont the rank yet redeemable Gowanus Canal also rites of passage race relations divorce middle-aged romance dementia funerals alcoholism and the Jewish religion Reality is just another stumbling block for Bosworth's characters who might help themselves but don't always choose to There are leaps of faith here nonetheless as the collection dispenses a kind of narrative psychotropic for survival and redemption with a chaser of humor mixed in
