betray Party or Man In such a position men are apt to be decided in their course by the nearness and appreciability of the retribution which is to follow or by the chances of tangible reward If the Whigs act up to their Northern professions the immediate disruption of the party will be the sure result An opposition may combine a great many discordant political elements and various shades of opinion but a triumphant party can only reap the fruits of victory by compactness and the sacrifice of individual interests to the imperative necessity of union About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
