## **The Antichrist King Juan Carlos:**

**The Antichrist King - Juan Carlos** Charles R. Taylor,1993-09-01      The Antichrist Philip C. Almond,2020-10-01 The malign figure of the Antichrist endures in modern culture whether religious or secular and the spectral shadow he has cast over the ages continues to exert a strong and powerful fascination Philip C Almond tells the story of the son of Satan from his early beginnings to the present day and explores this false Messiah in theology literature and the history of ideas Discussing the origins of the malevolent being who at different times was cursed as Belial Nero or Damien the author reveals how Christianity in both East and West has imagined this incarnation of absolute evil destined to appear at the end of time For the better part of the last two thousand years Almond suggests the human battle between right and wrong has been envisaged as a mighty cosmic duel between good and its opposite culminating in an epic final showdown between Christ and his deadly arch nemesis

**The Tribulation Hand-Book** Albert J. Lynch,2013-09-05 This Book is aimed at the people who will occupy the earth after people like me are raptured out of the earth into the presence of the Living God Jesus Christ You have left here with the Antichrist and his false prophet and the devil who was kicked out of second heaven at the time we went up to meet our maker Also the Holy Spirit was taken of the earth with us that leaves you at the mercy of the Antichrist who is raised back from the dead after being shot in the head You will be forced to worship an image of the Antichrist or die Who wants to worship a cartoon There is still time while you are physically alive to accept the Lord Jesus Christ as your Savior from your sins and as your Lord God You must understand that you are a sinner and need the forgiveness of God in order to have a relationship with him In a way you have more physical evidence that there is a God than the people that have been taken off the earth You have seen him come for his church of believers at the rapture of the church of believers You have seen him You know he is real thats more than the people that have been taken off the earth had They had to believe in him by faith but faith in God is what you did not have Thats why you were left were you are The reason you did not have any faith in God is that you have pride in the false religion that you could not be moved from by the people that have preached Jesus Christ to you Read on Now you must believe in the Lord Jesus Christ with your whole being because you are going to have to die for him better to die for Jesus Christ than to live for the devil

**Naming the Antichrist** Robert C. Fuller,1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In Naming the Antichrist Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French

Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of *The Late Great Planet Earth* with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life

**Sua Maxima Culpa** Rebecca Sullivan, 2016-12-17 There was no way that I could defend my children and grandchildren from the warfare waged against us by the hierarchy of the Catholic Church No one came to our rescue and no one cared This had and still angers me It is Righteous anger and I thirst for justice Justice that will only come to us when the Lord Jesus Christ returns to earth We were a good family and made to live in fear never knowing what they would do next to harm us

**Death Is at Your Door Are You Ready?** Randy Thomas, 2007-08-01 If only death were that simple wouldn't we all live differently if we knew exactly when death would come knocking on our door Most of us think that we have a whole lot of years left before we even have to start thinking about death What if I could prove to you that not only is the time of death's visitation rapidly approaching for us all but that his foot is already in the door What if I could show you signs that were written thousands of years ago that warn us that we are about to enter into a time of unparalleled death and devastation that make all previous such events pale by comparison Would knowing what is going to happen tomorrow change how you live today Today just may be the most important day of your life the things that you are about to read will most assuredly impact you for the rest of your life Death is at your door doom is just around the corner and uncertainty is all around us but just beyond the horizon lays hope
