The Appomattox Campaign:

The Appomattox Campaign Chris Calkins, 1997-07-21 Previous accounts of the Civil War's last major campaign have often neglected the actual maneuvers and tactics of the units involved. This new addition to the Great Campaigns series features a tactical approach to the final drama of the Civil War. Innovative maps, sidebars, and charts complement a dramatic narrative. The fall of Petersburg and Richmond, the last battles at Five Forks, Sailor's Creek, and Dinwiddie Court House, and the final surrender at Appomattox are all described by an author whose knowledge of the historical sources is equaled by his familiarity with the area over which the armies marched and fought. The author provides a day-to-day narrative of this fascinating campaign with a series of specially commissioned maps that make clear the complex series of maneuvers that finally brought Lee's beleaguered army to bay. Special sidebars highlight many incidents and personalities of the campaign, including never-before-published information on African Americans in Confederate service. Record-keeping, especially for the Confederates, was difficult in the last hectic days of the war, and readers will find here the most complete order of battle available for both sides. [The Appomattox Campaign](#) Chris Calkins, 2011 *Lee's Last Retreat* William Marvel, 2002 A chronicle of the last days of the Civil War examines Lee's final retreat and subsequent surrender at Appomattox.

[Appomattox 1865](#) Ron Field, 2015-03-20 From an internationally renowned expert on US history, this highly illustrated title details the curtain-closing campaign of the American Civil War in the East. Ulysses S. Grant's Army of the Potomac and Robert E. Lee's Army of Northern Virginia faced up to one another one last time, resulting in Lee conducting a desperate series of withdrawals and retreats down the line of the Richmond and Danville Railroad, hoping to join forces with General Joseph E. Johnston's Army of Tennessee. This book, with informative full-colour illustrations and maps, tells the full story of the skirmishes and pursuits that led directly to Lee's surrender, as his frantic efforts to extricate his forces from ever more perilous positions became increasingly untenable. *Petersburg to Appomattox* Caroline E. Janney, 2018-03-14 The last days of fighting in the Civil War's eastern theater have been wrapped in mythology since the moment of Lee's surrender to Grant at Appomattox Court House. War veterans and generations of historians alike have focused on the seemingly inevitable defeat of the Confederacy after Lee's flight from Petersburg and recalled the generous surrender terms set forth by Grant, thought to facilitate peace and to establish the groundwork for sectional reconciliation. But this volume of essays by leading scholars of the Civil War era offers a fresh and nuanced view of the eastern war's closing chapter. Assessing events from the siege of Petersburg to the immediate aftermath of Lee's surrender, *Petersburg to Appomattox* blends military, social, cultural, and political history to reassess the ways in which the war ended and examines anew the meanings attached to one of the Civil War's most significant sites. Contributors are Peter S. Carmichael, William W. Bergen, Susannah J. Ural, Wayne Wei Siang Hsieh, William C. Davis, Keith Bohannon, Caroline E. Janney, Stephen Cushman, and Elizabeth R. Varon. **The Cavalry at Appomattox** Edward G. Longacre, 2003 The final campaign of the American Civil War in the eastern theatre witnessed the

zenith of American cavalry warfare the salient aspect of the operation The Appomattox Campaign not only determined whether the conflict would continue but also which army had better assimilated the intricate difficult lessons of mounted service The outcome indicated why the Union troopers emerged victorious They displayed greater tactical versatility the ability to fight mounted and afoot whereas the Confederate horsemen considered the outdated saber charge the essence of mounted battle The Greatest Civil War Battles Charles River Charles River Editors, Charles River, J. Mitchell, 2014-10-28 Includes pictures Includes accounts of the fighting and surrender by generals on both sides Includes footnotes and a bibliography for further reading Of all the dramatic events that transpired during the Civil War the end of the war in April 1865 brought perhaps the most remarkable of them all and they came in such quick succession that it is still hard to believe nearly 150 years later On April 2 the long siege of Petersburg by Ulysses S Grant ended with Robert E Lee's Army of Northern Virginia finally having its line broken forcing Lee to retreat and give up Richmond in the process Lee's battered army began stumbling toward a rail depot in the hopes of avoiding being surrounded by Union forces and picking up much needed food rations While Grant's army continued to chase Lee's retreating army westward the Confederate government sought to escape across the Deep South On April 4 President Lincoln entered Richmond and toured the home of Confederate President Jefferson Davis Fittingly the food rations Lee moved toward did not arrive as anticipated and on April 7 1865 Grant sent Lee the first official letter demanding Lee's surrender In it Grant wrote The results of the last week must convince you of the hopelessness of further resistance on the part of the Army of Northern Virginia in this struggle I feel it is so and regret it as my duty to shift myself from the responsibility of any further effusion of blood by asking of you the surrender of that portion of the Confederate States army known as the Army of Northern Virginia Passing the note to General Longstreet now his only advisor Longstreet said Not yet But by the following evening during what would be the final Confederate Council of War and after one final attempt had been made to break through Union lines Lee finally succumbed stating regretfully There is nothing left me but to go and see General Grant and I had rather die a thousand deaths Communications continued until April 9 at which point Lee and Grant met at Appomattox Court House When Lee and Grant met the styles in dress captured the personality differences perfectly Lee was in full military attire while Grant showed up casually in a muddy uniform The Civil War's two most celebrated generals were meeting for the first time since the Mexican American War The Confederate soldiers had continued fighting while Lee worked out the terms of surrender and they were understandably devastated to learn that they had surrendered Some of his men had famously suggested to Lee that they continue to fight on Porter Alexander would later rue the fact that he suggested to Lee that they engage in guerrilla warfare which earned him a stern rebuke from Lee As a choked up Lee rode down the troop line on his famous horse Traveller that day he addressed his defeated army saying Men we have fought through the war together I have done my best for you my heart is too full to say more Although the surrender of the Army of Northern Virginia to Grant and the Army of the Potomac at Appomattox

Courthouse did not officially end the long and bloody Civil War the surrender is often considered the final chapter of the war For that reason Appomattox has captured the popular imagination of Americans ever since Lee s surrender there on April 9 1865 The Greatest Civil War Battles The Appomattox Campaign chronicles the final campaign between the Army of the Potomac and the Army of Northern Virginia and the one popularly remembered as sealing the fate of the Confederacy Along with pictures and a bibliography you will learn about Appomattox like never before in no time at all **Appomattox** Elizabeth R.
