The ArabIsraeli Search For Peace

David John Allen, Alfred Pijpers

The ArabIsraeli Search For Peace:

The Arab-Israeli Search for Peace Steven L. Spiegel, 1992 Arab Israeli and Western scholars move beyond the platitudes and presumptions of peacemaking in the Middle East to address the fundamental problems that both sides will have to confront as peace becomes a realistic goal The Search for Peace in the Arab-Israeli Conflict Terje Rød-Larsen, Nur Laiq, Fabrice Aidan, 2014 The Search for Peace in the Middle East provides an annotated overview of attempts to make peace in the region including all relevant documents related to the Arab Israeli conflict over the past century since the Sykes Picot Agreement of 1916 and a full set of accompanying maps specially made for this edition **The Much Too Promised Land** Aaron David Miller, 2008-03-25 For nearly twenty years Aaron David Miller has played a central role in U S efforts to broker Arab Israeli peace His position as an advisor to presidents secretaries of state and national security advisors has given him a unique perspective on a problem that American leaders have wrestled with for more than half a century Why has the world's greatest superpower failed to broker or impose a solution in the Middle East If a solution is possible what would it take And why after so many years of struggle and failure with the entire region even more unsettled than ever should Americans even care Is Israel Palestine really the much too promised land As a historian analyst and negotiator perhaps no one is more qualified to answer these questions than Aaron David Miller Without partisanship or finger pointing Miller lucidly and honestly records what went right what went wrong and how we got where we are today Here is an insider's view of the peace process from a place at the negotiating table filled with unforgettable stories and colorful behind the scenes anecdotes Here too are new interviews with all the key players including Presidents Carter Ford Bush forty one all nine U S secretaries of state as well Arab and Israeli leaders who disclose the inner thoughts and strategies that motivated them The result is a book that shatters all preconceived notions to tackle the complicated issues of culture religion domestic politics and national security that have defined and often derailed a half century of diplomacy Honest critical and certain to be controversial this insightful first person account offers a brilliant new analysis of the problem of Arab Israeli peace and how against all odds it still might be solved Negotiating Arab-Israeli Peace, Second Edition Laura Zittrain Eisenberg, Neil Caplan, 2010-07-14 Thoroughly updated and expanded this new edition of Negotiating Arab Israeli Peace examines the history of recurrent efforts to resolve the Arab Israeli conflict and identifies a pattern of negative negotiating behaviors that seem to repeatedly derail efforts to achieve peace In a lively and accessible style Laura Zittrain Eisenberg and Neil Caplan examine eight case studies of recent Arab Israeli diplomatic encounters from the Egyptian Israeli peace of 1979 to the beginning of the Obama administration in light of the historical record By measuring contemporary diplomatic episodes against the pattern of counterproductive negotiating habits this book makes possible a coherent comparison of over sixty years of Arab Israeli negotiations and gives readers a framework with which to assess the relative strengths and weaknesses of peace making attempts past present and future **Negotiating Arab-Israeli Peace** Laura Zittrain Eisenberg, Neil Caplan, 1998-02-22 In

an innovative study two historians of the Arab Israeli conflict reflect on what their craft can contribute to peacemaking Middle East Quarterly A fine overview of the troubled Arab Israeli negotiations since Camp David filled with sound analysis and a wealth of documentary material Students and diplomats alike will benefit from this thoughtful study William B Quandt Byrd Professor of Government and Foreign Affairs University of Virginia This timely book will be invaluable for students of Middle East international relations and for policy makers who seek a mutually acceptable resolution of this protracted conflict Michael Brecher McGill University No matter where one stands on the issues this valuable work commends itself to students peace makers and anyone concerned about the Arab Israeli conflict and its peaceful resolution Philip Mattar Institute for Palestine Studies Eisenberg and Caplan offer the reader lessons of the past and sound guidance for the present and the future a well researched and well written book Itamar Rabinovich Tel Aviv University What must change before the Arab Israeli conflict is resolved diplomatically By illuminating recurring factors that seem to doom peacemaking Negotiating Arab Israeli Peace offers a fresh interpretation of how when and why the process does and does not work and points to diplomatic strategies that may produce an enduring peace *The A to Z of the Arab-Israeli Conflict* P R

Kumaraswamy,2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves Four Arab-Israeli Wars and the Peace Process Sydney D. Bailey,2016-07-27 In focusing on four major wars in the Arab Israeli conflict from 1947 to 1979

all of them ending in agreed ceasefires truces or armistices this book concentrates on the external efforts after each war to help resolve the conflict **Historical Dictionary of the Arab-Israeli Conflict** P R Kumaraswamy,2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal

states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict **The Case for Peace** Alan Dershowitz,2011-01-06 In *The Case for Peace* Dershowitz identifies twelve geopolitical barriers to peace between Israel and Palestine and explains how to move around them and push the process forward From the division of Jerusalem and Israeli counterterrorism measures to the security fence and the Iranian nuclear threat his analyses are clear headed well argued and sure to be controversial According to Dershowitz achieving a lasting peace will require more than tough minded negotiations between Israelis and Palestinians In academia Europe the UN and the Arab world Israel bashing and anti Semitism have reached new heights despite the recent Israeli Palestinian movement toward peace Surveying this outpouring of vilification Dershowitz deconstructs the smear tactics used by Israel haters and shows how this kind of anti Israel McCarthyism is aimed at scuttling any real chance of peace **The Arab-Israeli Conflict** John Norton Moore,1991 *The Arab-Israeli Conflict, Volume IV, Part II* John Norton Moore,2014-07-14 *The Arab Israeli Conflict* is a fundamental research tool for students of the Middle East and for those responsible for U S policymaking in that area It is a successor to John Norton Moore s widely acclaimed three volume compilation of readings and documents on international law and the Arab Israeli conflict Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Search for Peace* Shira Herzog Bessin,1983 **Futile Diplomacy** Neil Caplan,2013-10-23 These two volumes provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between the first and second Arab Israeli wars Exploiting a range of available archive sources as well as extensive secondary sources they provide an authoritative analysis of the positions and strategies which the principal parties and the would be mediators adopted in the elusive search for a stable peace The author examines the recurring deadlocks in terms of the motives and calculations of the various parties and reveals how new incentives of pressures offered by outsiders proved incapable of reversing the serious deterioration of Arab Israeli relations as the region headed for war at Suez The text of each volume comprises both analytical historical chapters and a selection of primary documents from archival sources

The Political Economy of Middle East Peace J.W. Wright Jr.,2013-06-17 *The Political Economy of Middle East Peace* looks at the political economy of the Middle Eastern peace process with a focus on the politics of trade Contributors investigate the ways new commercial alliances develop as a result of economic agencies established via the Arab Israeli peace process and look at institutions which contribute to redirection of Arab intra and inter regional trade such as the Palestine Monetary Authority the Middle East Development Bank and free trade zone agencies in Aquaba and Dubai *The Decline Of The*

Soviet Union And The Transformation Of The Middle East David Howard Goldberg, Paul Marantz, Stephen Page, Stephen Gotowicki, 2019-06-26 For more than three decades the Soviet Union was a major force in the Middle East and superpower rivalry exacerbated many of the conflicts endemic to the region The end of the Cold War and the collapse of the Soviet Union have fundamentally altered the rules of the game in Middle East politics producing a new fluidity in the region new diplomatic alignments and new opportunities for peace The contributors place recent developments in historical and political context analyzing changes in Soviet Middle East policy under Gorbachev as well as evaluating developments since the demise of the Soviet Union The evolution of Moscow's policy toward the Arab states Israel the P L O and the U N is given special attention The contributors also examine the emergence of Islamic fundamentalism in the new states of Central Asia and weigh the potential implications of this development for the Middle East In addition they discuss security issues related to the transfer of military technology from former Soviet republics to the countries of the Middle East

The Arab-Israeli Conflict, 1956-1975 Moshe Gat, 2017-11-14 The Arab Israeli Conflict 1956 1975 contains a collection of articles that examine select issues between the end of the Suez Campaign in November 1956 and the Sinai II or Interim Agreement signed by Israel and Egypt in September 1975 The book provides a comprehensive overview of the struggle between the three superpowers the UK the United States and the Soviet Union and the effects this had on the region It also explores the circumstances that led to the Six Day War in June 1967 such as the use of air power and the Israeli retaliatory raids Two chapters look at the two leaders during the war Egyptian President Gamal Abdel Nasser leader of the Arab world a charismatic and dominant persona and Israeli Prime Minister Levi Eshkol considered weak and inconspicuous Three chapters focus on the period between the two wars June 1967 and October 1973 and one explores the aftermath Emphasis is placed on Israeli policy between 1967 and 1973 which primarily focused on the use of military power and foreign policy inaction It is argued that it was this policy that hindered all progress in the peace process and ultimately led among other factors to the Yom Kippur War The final chapter is on Kissinger and the road to the Sinai II Agreement It discusses the huge shift in American policy from avoiding a significant role in the prevention of an imminent war during May and June of 1967 to deep involvement in every detail of the dispute during and following the Yom Kippur War Providing an in depth examination of this important period of the Arab Israeli conflict this book will appeal to students and scholars of Middle Eastern History and Politics Conflict Studies and International Relations

In Search of a Peace Settlement M. Gat, 2012-06-28 This is the first examination of the Israeli and Egyptian peace process between 1967 1973 which highlights the rise and fall of Soviet influence after the Six Day War and explores how the increasing importance of America's political leadership affected the region

European Foreign Policy-Making and the Arab-Israeli Conflict David John Allen, Alfred Pijpers, 1984-01-01

The Search for Peace Shira Herzog Bessin, 1983 *Department of State Bulletin*, 1985 The official monthly record of United States foreign policy
