The Disciples:

The Missions of Jesus and the Disciples According to the Fourth Gospel Andreas J. Köstenberger, 1998 In this exegetical study of the Gospel of John Andreas Kostenberger strives to discover and articulate a thoroughly biblical theology of mission which would have contemporary implications for how the church responds to Christ's mandate *The Disciples in Narrative Perspective* Jeannine K. Brown, 2002 This study offers a narrative reading of Matthew arguing that the disciples frequently fail to understand Jesus his mission and his message The function of this portrayal for Matthew's story and in shaping his concept of discipleship is explored Paperback edition is available from the Society of Biblical Literature www.sbl-site.org *The Disciples* Byrdine Akers Abbott, 1924 [Jesus' Farewell to the Disciples](#) Tolmie, 2021-08-30 Jesus Farewell to the Disciples continues and intensifies the quest for uncovering the full potential of narrative criticism of the Fourth Gospel by means of a narratological analysis of John 13 1 17 26 After a discussion of theoretical issues the author selects a particular narratological model This is discussed in detail and then utilised for a systematic analysis of John 13 1 17 26 The results of the analysis are integrated in order to indicate the way in which a particular perspective on discipleship is presented in these chapters This book is important for scholars who are interested in the application of narrative criticism to biblical texts as well as in the Johannine perspective on discipleship *The Disciples—Second Edition* D. Duane Cummins, 2023-07-14 This new second edition refined updated and revised contains the story of those 15 years along with revisions in how a humble gathering evolved over two centuries into the Christian Church Disciples of Christ a modern denomination of international stature *The Disciples A Struggle for Reformation Revised Edition* discusses how Disciples progressed from congregationalism to Covenant how they survived the tumult of Civil War how they developed a ministry of missions on a global scale and how they met the brutal challenge of 21st century COVID [The Disciples: A Struggle for Reformation \(Paperback\)](#) D. Duane Cummins, 2009 [The Disciples in the Pacific Southwest Region](#) Edwin C. Linberg, 2009-11-20 The life and ministry of the Christian Church Disciples of Christ in The Pacific Southwest Region from 1955 into 2009 is chronicled in this book **The Disciples' Prayer** Jeffrey B. Gibson, 2015-06-01 What are Christians praying when they pray the Lord's Prayer and what relationship does it have with Jesus own context Jeffrey B Gibson disputes the view that Jesus prayer was derived from Jewish synagogal prayers Understanding its intent requires understanding Jesus purpose in calling disciples as witnesses against this generation In context the prayer was not eschatological and was not aimed at calling down into the present the realities of the age to come Rather it was meant to protect disciples from the temptations of their age [Watching the Disciples - eBook \[ePub\]](#) Mary Jane Gorman, 2011-12-01 LENT This Lenten study looks at the twelve disciples as they tried to follow Jesus and live the challenging life to which he had called them Examining the mistakes of the Twelve can help us to assess our own discipleship in order to see where it may need strengthening During these weeks of Lent as we join the Twelve in their on the job training to become disciples of

Jesus we hope to find guidance for our pilgrimage This seven session study appropriate for both group and individual use provides one lesson for each week in Lent Each lesson includes a Scripture reference a brief reflection questions for study or discussion a brief prayer and a focus for the coming week MARY JANE GORMAN is a writer teacher and retreat leader living in Greenville South Carolina and she is the author of the book Tending Body Heart Mind Soul Following Jesus in Caring for Ourselves Abingdon Press Formerly professor of economics at Furman University she has served on the board of United Ministries a nonprofit community organization and is a leader in First Baptist Church Greenville The Rhetoric of Characterization of God, Jesus and Jesus' Disciples in the Gospel of Mark Paul L. Danove, 2005-03-28 This study develops a method for analyzing the semantic and narrative rhetoric of repetition and the narrative rhetoric and function of characterization and applies this method in studies of the characterization of God Jesus and Jesus disciples in the Gospel of Mark The studies of characterization distinguish beliefs that are assumed for the audience from beliefs that the narration cultivates for the audience identifies the rhetorical relationships and organization of cultivated beliefs and clarifies the contribution of each character s portrayal to the overall narrative development of Mark The study then considers the contribution of the characterization of the women at the tomb to the portrayal of Jesus disciples and narrative developments A concluding inquiry investigates the possible applications of the studies of characterization for determining the rhetorical exigency of the narration and for formulating statements of Mark s proposed theology
