The Disciplines Of A Disciple

Minister William H. Hicks

The Disciplines Of A Disciple:

The Spirit of the Disciplines - Reissue Dallas Willard,1990-12-07 How to Live as Jesus Lived Dallas Willard one of today s most brilliant Christian thinkers and author of The Divine Conspiracy Christianity Today s 1999 Book of the Year presents a way of living that enables ordinary men and women to enjoy the fruit of the Christian life He reveals how the key to self transformation resides in the practice of the spiritual disciplines and how their practice affirms human life to the fullest The Spirit of the Disciplines is for everyone who strives to be a disciple of Jesus in thought and action as well as intention

Discipling as Jesus Discipled Dann Spader,2016-07-15 Want to make disciples but not quite sure how Learn from the Master Making disciples is tough To walk someone from no knowledge of Christ to a deep transforming relationship that s a challenge But it s our job In Discipling as Jesus Discipled you will be equipped to follow Jesus masterful strategy of making fishers of men Through an interactive study of Jesus prayer in John 17 and various mission trips in the Gospels you ll learn Three words that capture how Jesus made disciples Seven disciplines of a successful disciple maker How to make the Great Commission a way of life Strategies for making disciples who make disciples You have one life but when you impart it to others for the sake of Christ and in the way of Christ your life will multiply for the glory of God Ready to learn from the Master

“Discipleship and Discipline Second Edition” Minister William H. Hicks,2019-08-09 Discipleship and Discipline encourages readers to pursue the Great Commission of Jesus Christ to go into all the world and make disciples of all the nations The book examines the biblical imperative and instructions for becoming and making disciples

The Discipline of the Disciple John Hoelzel,2009-11-23 Our decision to follow Jesus and become His disciple can be just as costly as it was for His original 12 But the benefits are out of this world and they continue to cumulate in this life and through eternity Jesus still trains His disciples by demonstrating how to live followed by our practice of what we learn But our understanding of His earthly demonstration is mainly through reading His word and prayer The proof of the pudding still comes as we put our training into practice This practice includes both becoming more like Christ discipleship and becoming a disciple maker Such successive training of faithful people down through the ages is what Jesus has depended on to continue to populate heaven with faithful disciples This book is written to lay down some tracks for disciples and disciple makers to run on in your church and community and equally important to promote discussion of creative ideas on how best to fulfill and experience both roles

The Discipline of Surrender Douglas D. Webster,2001 In this book Douglas D Webster uses everyday biblical imagery to show how Christian discipleship brings together the vitality of discipline under the peace of a continuing surrender to the initiative of God

The Activated Disciple Jeff Cavins,2018-11-05 Are you ready to take your faith to the next level If you yearn for a life that moves beyond believing and practicing your faith if you want to radically live your faith if you want a more profound relationship with Jesus Christ then it is time for you to become an activated disciple The Foundation of discipleship is imitation True discipleship requires such a close relationship with God that every area of your life is

transformed It is about opening yourself to God and inviting him to dwell within you becoming holy as he is holy loving as he is loving disciples of Christ become the instruments God employs to transform the world Move beyond simply believing and practicing your faith and begin radically living it Overcome obstacles that keep you from being the disciple you are made to be Be a positive influence and an instrument of transformation in the Church The Great Omission Dallas

Willard,2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church s Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24 7 life with Jesus **Deep Discipleship** J.T. English,2020-09-29 Everyone is being discipled The

question is what is discipling us The majority of Christians today are being discipled by popular media flashy events and folk theology because churches have neglected their responsibility to make disciples But the church is not a secondary platform in the mission of God it is the primary platform God uses to grow people into the image of Jesus Therefore as church leaders it is our primary responsibility to establish environments and relationships where people can be trained grow and be sent as disciples There are three indispensable elements of discipleship Learning to participate in the biblical story the Bible Growing in our confession of who God is and who we are theology Regularly participating in private and corporate intentional action spiritual disciplines Deep Discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey *The Disciple's Handbook* David L. Hall,2020-02-05 Twenty years ago God led me to the writings of the church fathers and then on a journey that changed my life I discovered the amazing spiritual depth throughout all the eras of the church and began to realize that I was settling for scraps when God had prepared a banquet This handbook was written as an aid to Christians from all traditions to help them hit the ground running to discover even

greater depth and passion in their walk with Christ *the DNA of a Disciple* chad lynn, 2010-12-17 The DNA of a Disciple is a book about how to be the type of disciple Jesus intended us to be The book conveys with passion and intensity the shortcomings of modern discipleship and communicates a powerful alternative to seeing lives changed The DNA of a Disciple was never intended to be a how to book Instead the author believes that the Life of Christ is transferred when someone decides to be like Jesus Written in new language and with a new perspective The DNA of a Disciple will challenge you to look at discipleship through a brand new eyes
