Diviner Brynne Weaver, 2021-03-20 Quinn has a rare and powerful gift one that manifested from the rage and trauma of her harrowing childhood Years later the anger she can't let go of makes her an unpredictable and dangerous weapon of last resort for a kingdom on the brink of war Diviners like Quinn are venerated yet feared protected yet exploited Bonded to the Queen they are forced to endure hardship and sacrifice to protect her empire After a near loss in a key battle and the death of the Diviner of Fire the Queen calls for aid from the elite soldiers of the allied territories to the East A striking warrior named Kiran is assigned to protect and train Quinn and as the pair become close despite the rules that bind them they discover that the enemies within are just as dangerous as the ones at the gates Time is running out for Quinn to harness her power The enemy is closing in around them Impossible sacrifices haunt every decision Quinn makes As she fights to keep what little she's claimed as hers Quinn learns that her destiny might not lie in the hands of fates or kingdoms but in her own Praise for The Diviner The Diviner is a wonderfully immersive fantasy set in a carefully crafted magical world and is as much a deeply emotional love story as a suspenseful adventure The slow burn became an inferno W D Henning author of Paradise Blight and Dark Fall The Diviner is intricately written and not like any fantasy story you've read before This book will get you hooked and you'll build special connections with the characters you'll love Quinn of course but you'll also fall in love with Kiran Skye Adri and Rolfe The Diviner is worth the read every second you spend on it is not wasted Aina Untalan author of Exes and Ohs Quinn is an actual badass instead of being a damsel in distress which I hardly ever get to see in books Court of Miracles Awards Finalist Fans of fantasy romance series like From Blood And Ash and A Discovery of Witches will love The Diviner D Samms The Diviner's Chronicle Frank DuPont, 2013-12-17 Enlil Bani stood up from the royal palanquin and looked over the crowd his wrist discreetly shackled to the seat His head buzzed from deep sorrow weariness and lack of sleep yet he was concerned that he might be recognized by anyone he knew He also felt ashamed to have been substituted for the king destined to be hung at the end of the day as a murderer His face and scalp itched from the false wig and beard he wore designed to make him resemble the genuine king of Isin city The year is about 1860 B C E Sumeria If the soothsayers predicted that a calamity would happen to the real king it was a common practice to create a substitute king in his place By executing the substitute the gods would be fooled and the prediction would come true This day was unique because Enlil Bani is known to have survived and remained on the throne for twenty four years Called a real page turner and a total immersion in Sumerian life The Diviners Chronicle is based on history and reveals a range of emotions including ambition and avarice jealousy and revenge lust and love plus loyalty and compassion The Diviner's Handbook Tom Graves, 1986-03 Anyone can learn to dowse for precious metals missing persons water the solution to a problem or a myriad of other objectives All that is required is practice awareness and a working knowledge of basic dowsing principles and mechanics Tom Graves guidebook provides the tools whereby your natural ability to dowse can be turned into a reliable skill One of the oldest arts and sciences known to man dowsing is widely used today in fields as diverse as medicine and archeology The

The Diviner's Soul Darie McCoy, 2025-09-25. Some bonds are forged in blood. Theirs was written in the threads of destiny. As a Soulkin, Kieran is gifted with a rare Blessing: he can see the invisible threads that tether souls together. Their colors reveal connection, loyalty, love, truths most can only guess at. But he never expected to see one binding him to another. Not until he meets the curvy, bronzed, skinned Diviner he was sent to protect. Dianthe sees the future in tea leaves and sometimes with a single touch. When the leaves warn of danger surrounding her little brother, she has no choice but to flee the only home they've ever known. She doesn't expect to cross paths with a Soulkin, let alone one as captivating as Kieran. His amber eyes, burnished brown skin, and long flowing locs are distraction enough, but it's what she feels when they touch that truly unsettles her. Haunted by what she's seen, Dianthe clings to her mistrust. But Kieran is determined to shield her and her brother from the coming storm. Though only he can see the bond glowing between them, Dianthe can feel it pulling them ever closer. As they journey into the unknown, Kieran offers her more than just protection. He offers her a future rewritten. But trusting in their Blessings is one thing. Trusting in love is another. Can Dianthe open her heart to what lies beyond fate? Or will the path she feared become the one they're destined to walk together.
