The Door Into Shadow:

The Door Into Shadow Diane Duane, 1993-03-01 As the eternal malice of the Shadow rises once more to threaten Creation with destructions Freelorn the exiled prince of Arlen stands with four others to confront this looming apocalypse

Reissue **The Door Into Shadow** Diane Duane, 2019-06-08 To my way of reckoning this is an even stronger book than the first Absorbing the kind of book one reads in gulps and cannot put down Andre Norton Unable to focus the blue Flame of Power despite years of training Segnbora lived the life of a wandering swordswoman or common sorceress until the night she saved a man's life in a back alley swordfight and discovered he was an outlawed prince with a price on his head Now on the run with Freelorn of Arlen and his followers Segnbora realizing that Lorn's survival is vital to the Middle Kingdoms in their war against the evil Shadow has sworn Freelorn her fealty and vowed to see him on the throne that is his birthright But deadly forces are on the move against them Freelorn's friend and lover Herewiss is the first man in centuries to wield the blue Fire and the Shadow has unleashed its twisted monsters and hordes of invading Reavers to bring about his destruction As Freelorn and his people hurry to join forces with the Queen of Darthen to re-enact the Kingdoms fraying royal magics Segnbora risks her life to try to claim the Power she'd thought beyond her grasp Her gamble leaves her struggling desperately for control of a mind unexpectedly invaded by the soul of one of the Kingdoms mysterious Dragons Segnbora must win this fight if she's to bring the Dragon called Hasai to Freelorn's aid in the coming battle for the mountain valley of Bluepeak There Reavers will attack the Middle Kingdoms in force and Freelorn Herewiss and Segnbora must make the first moves in the apocalyptic war that will set the true king on the throne or see their world destroyed *The Door Into Fire* Diane Duane, 1979-11-01 A sorcerous swordsmith desperate to achieve true power His stubbornly nonmagical sword His princely runaway lover His hungry new fire elemental Put them all together and what can possibly go wrong Herewiss is the only man in centuries to possess the Power of the blue Flame but he can't use or control it not even to help his friend and lover Freelorn prince of Arlen banished from his native land and pursued across the Middle Kingdoms by the usurpers allies Invoking perilous sorceries and the even more dangerous assistance of the fire elemental Sunspark Herewiss manages to free Freelorn and his little band of followers from their pursuers Together they flee eastward to seek brief refuge in the mysterious lands near the edge of the world they know But now Herewiss faces a devastating choice His time to master the blue Fire is running out Should he abandon his fruitless search and join Freelorn in his fight to regain his kingdom Or should he seek out the ancient keep in the Waste where countless doors lead into other worlds among them perhaps the door that when opened will show Herewiss how to break through into the Power he must master or die The Door Into Fire first novel set in Diane Duane's award winning Middle Kingdoms universe opens a fantastic saga of magic adventure and love that has become a cult classic for its uniquely inclusive take on epic fantasy and its unforgettable characters Good strong stuff with the right light touch Terry Pratchett Expands the limits of the swords and sorcery genre Exciting magical intelligent
