CHAPTER I In this modern industrial civilization of which we are sometimes wont to boast a certain glacier like process may be observed The bewildered the helpless and there are many are torn from the parent rock crushed rolled smooth and left stranded in strange places Thus was Edward Bumpus severed and rolled from the ancestral ledge from the firm granite of seemingly stable and lasting things into shifting shale surrounded by fragments of cliffs from distant lands he had never seen Thus at five and fifty he found himself gate keeper of the leviathan Chippering Mill in the city of Hampton That the polyglot smoky settlement sprawling on both sides of an historic river should be a part of his native New England seemed at times to be a hideous dream nor could he comprehend what had happened to him and to the world of order and standards and religious sanctions into which he had been born His had been a life of relinquishments For a long time he had clung to the institution he had been taught to believe was the rock of ages the Congregational Church finally to abandon it even that assuming a form fantastic and unreal as embodied in the edifice three blocks distant from Fillmore Street which he had attended for a brief time some ten years before after his arrival in Hampton The building indeed was symbolic of a decadent and bewildered Puritanism in its pathetic attempt to keep abreast with the age to compromise with anarchy merely achieving a nondescript medley of rounded knob like towers covered with mulberry stained shingles And the minister was sensational and dramatic **The Dwelling-Place of Light** HardPress,Winston Churchill,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy The Dwelling Place of Light -
