Trilogy of Dhana and the Earth. Book one. End of the world Andrey Prudkovskii,2019-10-27 Conceiving this novel I drew an attention to the fact that the main conflicts on which the plots of most novels are based are connected with a person's desire for the inappropriate for unearned money fame power pleasure and women So it occurred to me to write a novel based on conflicts of a different kind Let the majority of the characters in my novel strive for the happiness of mankind And let the conflict be connected only with a different understanding the paths to this happiness From the Earth to the Shadows Amanda Hocking,2024-05-01 The epic YA fantasy duology concludes as a young Valkyrie in training must avenge her mother's death and prevent the raising of the dead She will save the world or die trying While dealing with dark revelations about her life and her world Malin finds herself with new allies and new enemies Her quest for the truth leads her to places she never thought possible and she's never been one to shy away from a fight But for all her strength and determination will it be enough to save the world before it's too late Fans of this fictional world will enjoy seeing more of it and appreciate that the story's conclusion leaves the door open for more adventures Kirkus Reviews The Holy Bible ,1810
