Ember in the Forge H. T. Martineau,2023-10-05 In her middle years the mining dwarf Ember is well set in her ways Her position as the master blacksmith of Eldur Hollow is a surety that has never been challenged However after Ember sees a green light cross the sky she swings her hammer in her forge and sets the whole burrow ablaze destroying all she has

worked decades to create Unbeknownst to any in Ambergrove outside the forbidden lands the Age of Magic has begun Kaenye the god of fire is Ember's only hope at learning how to control her newfound magic and return to the life she's always known With nothing but meager supplies and a command to find a woman in a red dress in Port Albatross Ember leaves her home behind and ventures into a world that distrusts her and the destruction that unwittingly comes at her hands Ember is a maker but harnessing her magic and convincing those she meets and herself that fire magic is not something to fear is a task for a giant not a mining dwarf As Ember relearns how to live she also learns that magic has a purpose and she is not the only one who needs to learn how to harness her fire This mining dwarf has her heart set on returning to the forge but as long as there is an ember the fire will burn and the life within the flame is not always what we expect Gumshoe D.E. Gray, 2020-08-03 Ten year LAPD sergeant Walter Sunderland was about to cross off another item on his personal bucket list He would soon be transferring out of uniform patrol and head downtown to the elite Robbery Homicide Division as an LAPD detective Working RHD was his dream job and like most things in his life whatever he set his mind to he usually succeeded Married to a beautiful woman who made twice the money he did selling million dollar homes in the trendy upscale neighborhood of Porter Ranch in the northwest San Fernando Valley where they now lived themselves was just the frosting on the cake It would only take one act of pure stupidity to rear its ugly head that would bring his world crashing down around him Now fired from the police department divorced from his wife and after serving a short prison sentence he was just a heartbeat away from becoming a down and out homeless street person himself Living in a cheap downtown hotel that overlooked skid row he was now working menial part time jobs trying to keep his head above water to survive It would be the very woman who accused him of rape under the color of authority that got him fired from the force and sent him to jail who was now pleading for his help She herself was now the number one suspect in the murder of her former husband and with limited funds she had nowhere to turn The two unlikely pair would join forces to spar with her former dead husband's new wife along with the LAPD detectives investigating his murder and at the same time deal with their own ongoing mistrust for one another Without the use of any of the LAPD's resources provided to regular sworn detectives on the job Sunderland was now being measured by everyone around him as nothing more than a washed up Gumshoe a term he hated with contempt Even so he now would have to rely on his own wit and expertise as he follows up on his instincts leads and scenarios to come up with answers he so desperately needed Those answers wouldn't come easy after hitting one roadblock after another as he tried to piece together the realities and assumptions that no one else was willing to tackle Together Walt Sunderland and Gretchen Quinn's journey would take them to an unpredictable and shocking conclusion *200 Stories to Soothe and Empower Anxious Children* Georgina Jessie Green , Katherine Rebecca Larsen, *200 Stories to Soothe and Empower Anxious Children* In a world that can often feel overwhelming children are facing more challenges than ever before Anxiety fear and stress are increasingly common and parents and caregivers are searching for effective ways to support their children's
