Declassified Arianna Warsaw-Fan Rauch,2022-10-11 A refreshingly fun guide that reads as if you re a fly on the wall in conservatory auditions cutthroat competitions and the obsessive practice routines of professional musicians The New York Times Arianna Warsaw Fan Rauch s life long fascination with classical music has taken her through Juilliard and into the shiny world of symphony halls and international concert tours She s loved classical music her whole life But she s also hated classical music her whole life After all if you can like Beyonc without liking Bieber you can certainly like Brahms without liking Bach especially since they were born 148 years apart and the thing we call classical music is really just centuries of compositions shoved into one hodge podge of a genre In *Declassified* Warsaw Fan Rauch blows through the cobwebs of elitism and exclusion and invites everyone to love and hate this music as much as she does She offers a backstage tour of the industry and equips you for every listening scenario covering the 7 main compositional periods

even the soul crushingly depressing Medieval period a breakdown of the instruments and their associated personality types
apologies to violists and conductors what it s like to be a musician at the highest level it s hard how to steal a Stradivarius
and make no money in the process and when to clap during a live performance also when not to Declassified cheekily
demystifies the world of High Art while making the case that classical music matters perhaps now more than ever
