The Hidden Price Of Greatness:

The Hidden Price of Greatness Ray Beeson, Ranelda Mack Hunsicker, 1991 **The Hidden Price of Greatness** Ray Beeson, 1991 The Hidden Price of Greatness showcases portraits of ordinary people who became extraordinary as they walked down life's hard roads. Adversity worked in them; determination to triumph; these heroes of faith demonstrate the power of the New Testament message that through Christ we are more than conquerors. Publisher **Signed in His Blood** Ray Beeson, 2014 From his travels and observations Ray Beeson has found that very few Christians know how to use this powerful weapon that is available to us. Signed in Blood will change that by taking readers through the nature of a covenant, the need for heart change, the reason we take Communion, and much more. *The Remarkable Women of the Bible* Elizabeth George, 2003-08-15 In this inspiring look at the lives of women in the Bible, bestselling author Elizabeth George reveals refreshing models of faith for today. Stories about Eve, Deborah, Sarah, Ruth, Mary, and other women from Scripture offer testimonies of changed lives and reflections on the remarkable strengths God cultivates in women who love Him. Jocebed is an example of a remarkable mother; Deborah's life is an illustration of wisdom; Ruth and Naomi model pure devotion; and Hannah demonstrates sacrifice. Conveying the assurance of God's love, *The Remarkable Women of the Bible* provides nourishment from a woman's point of view and connects today's woman with the source of fulfillment that sustained her sisters in Bible times: a relationship with God. Adapted from *Women Who Loved God*. **Finding God's Path Through Your Trials** Elizabeth George, 2007-07-01 From bestselling author Elizabeth George, nearly 4 million books sold, comes a book born of her desire to help others through difficult times. *Finding God's Path Through Your Trials* acknowledges the hard times we all face and reveals how people can count it all joy, including understanding that trials are not punishment; realizing God's grace is sufficient to get them through; knowing the benefits brought by trials: patience, endurance, empathy; experiencing deeper faith as they depend on God through trials; trusting God to use everything for His glory. Emphasizing that God is always with them and will help them every step of the way, Elizabeth reminds readers they will not be given trials they cannot bear without including a way of escape. She encourages people to turn to Jesus where they will find hope, joy, and meaning in the journey, no matter how bumpy it seems. **The Root of Rejection** Joyce Meyer, 2008-11-15 You can be free from the effects of rejection. No one totally escapes rejection, but not everybody has to be damaged by it. Our Father has provided a means for us as His children to be delivered from the painful consequences of rejection. *Perfect Love* Joyce Meyer, 2014-10-07 Yesterday, Today, Tomorrow, God loves you perfectly all the time. But if you sometimes feel unworthy, struggle with self-doubt, or believe He's mad at you, Joyce Meyer, 1 New York Times bestselling author, wants to help you embrace the power of knowing God's total acceptance. No matter what you have done or where you are in your life's journey, you are meant to receive this gift. God's Word says that His love for you is unchanging, and He loves you simply because He wants to. In *PERFECT LOVE*, Joyce reveals how you can develop the certainty that God loves you fully and unconditionally, right now.

exciting spiritual walk as you embrace God's design for true beauty in your life Millennials and Mission James Raymo, Judy Raymo, 2014-04-23 A Generation Faces a Global Challenge his book focuses on the passing of the torch in cross cultural missions and church ministry to the Millennial generation Jim and Judy Raymo grapple with big questions and concerns in Millennials and Mission while giving an in depth look at this up and coming generation of young people and the future of missions in its hands They highlight the strengths and weaknesses of this populous group born between 1982 and 2000 comparing and contrasting its characteristics with those of the Baby Boomers and Gen Xers In spite of the challenges ahead Millennials and Mission gives a clearly optimistic picture of the Millennial generation's potential contribution to the accomplishing of the Great Commission Wounded in the Church Chris Hayward, Ray Beeson, 2017-03-14 Church should be a safe place right Then why do so many get hurt there Ray Beeson and Chris Hayward combine their years of ministry experience to address head on the elephant in the room church members and church leaders hurt Christians All the time And the long lasting effects rejection shame despair loneliness fear can be devastating The authors have witnessed the rise of the dones those who are just done with God thanks to scars from church With first person stories of hurt and loss this book is a wake up call for any who deny woundedness in the church but is also a redemptive message for any who hurt from church wounds Leaders and laypeople alike will learn how to grieve over abuse to leave unhealthy attitudes and patterns that cause pain and to trust in God's real delivering work through churches that build up not tear down Thanks to the grace of God there is always hope beyond the pain *The Pearl of Great Price, and the Hidden Treasure Sought After by Observation; and Remarks on the Change in Man, Etc* John ASHBY (of Brixton.), 1845 **Ten Myths That Damage a Woman's Confidence** Patricia Holt, Pat Holt, 1995 Confidence is one thing that women need most today and Holt attacks the false ideas that keep a woman from experiencing confidence in God More than anything she restores a woman's esteem in God and her trust in His ability to work especially where she is weakest It will also help her to stop the damage that comes from fear poor self image negative and critical voices and the myth that she may not be spiritual enough The Alpha Mom Samantha Sambun-Karasu, 2021-11-29 The Alpha Mom is not your typical self help book There are no motivational platitudes cute business parables or rah rah quotes here It won't tell you that your life turned out from conditions outside your control It won't coat you in a comfort shell like a useless chrysalis that stops you from flapping your wings Or attempt to slap good sense with Facebook memes to tell you you're as tough as nails In short I won't reinforce the mental bullshit that keeps us trapped with pity parties telling us how unlucky or unfair life had been to us My goal is to help you break through that chrysalis towards real empowerment To change your perspectives To make you think and help attain the results YOU want To awaken from the slumber of helplessness To rise above a culture of mediocrity So The Alpha Mom is written just for you Maybe only you Truth is often uncomfortable But it exists to shatter comfort zones to help us achieve our purpose Through a get off your butt and start doing it approach to help women and mothers achieve real happiness fulfillment and contentment

For starts women need to break three of the most common lies we tell ourselves First that happiness has to do with material excesses Second that beauty and sex appeal declines with age And third that women must live in accordance to societal codes and standards A little warning though This book can make you better but first it may piss you off Some of my posts may appear cynical caustic or controversial but that s only because it will challenge confront and contradict you own beliefs Check out some of the truths exposed in The Alpha Mom Being physically attractive and sexy increases with age not decreases Making a mistake in a relationship doesn t necessarily imply impropriety There s no such thing as an inability to exercise Being independent does not affect your role as a wife and or mother Compulsion to societal expectation is never forced but is a choice Pretty cool huh So pick it up and I ll see ya between the covers *Dancing with Depression* David A. Wilt, 2008-12 This small book is written for people who don t like reading big books It s written for you and me It doesn t go into great detail about the facts and information about depression The emphasis is on words of encouragement and principles that work to overcome it May the contents of this book bring you much needed hope and encouragement in your own dance with depression David is a certified psychiatric RN and works on an inpatient unit He was a missionary with Mercy Ships for 3 years where he met his wife Roxy They have two sons Joshua Daniel and live in Ohio with one dog one turtle three goldfish and four gerbils
