Smith, Brent Landau, 2023-01-01 A groundbreaking account of the Secret Gospel of Mark one of the most hotly debated documents in Christian history In 1958 at the ancient Christian monastery of Mar Saba just outside Jerusalem Columbia University scholar Morton Smith claimed to have unearthed a letter written by the Christian philosopher Clement of Alexandria and containing an excerpt from a previously unknown version of the canonical Gospel of Mark This excerpt recounts a story of Jesus's apparent sexual encounter with a young resurrected disciple In recent years an influential group of researchers has alleged that no Secret Gospel or letter of Clement existed in antiquity and that the manuscript that Morton Smith found was a modern forgery created by none other than Smith himself In this book Geoffrey S Smith and Brent C Landau enter into the controversy surrounding this document and argue that the Secret Gospel of Mark is neither a first century alternative gospel nor a twentieth century forgery by the scholar who announced its discovery Instead this account is intimately bound up with the history of Mar Saba one of the oldest monasteries in the Christian world In this fascinating

work Smith and Landau present the realities and misconceptions surrounding not only the now lost manuscript but also its brilliant enigmatic and acerbic discoverer Morton Smith *Popular Mechanics* ,1926-11 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Doctor Grimshawe's Secret** Julian Hawthorne,2020-07-28 Reproduction of the original Doctor Grimshawe s Secret by Julian Hawthorne Lady Audley's Secret M. E. Braddon,2019-12-05T18:00:46Z Lady Audley s Secret was the most successful of a long series of novels written by Mary Elizabeth Braddon in what was then called the sensation genre because of the inventive and slightly scandalous plots of such works Published in 1862 Lady Audley s Secret was immediately popular and is said to have made a fortune for its author It has never been out of print and has been the basis for a number of dramas and movies The novel begins with the return from the Australian goldfields of ex dragoon George Talboys Three years earlier in the depths of poverty he had abandoned his young wife and their baby in order to seek his fortune He returns to England having made that fortune by finding a huge gold nugget He enlists the help of his friend Robert Audley a rather idle young barrister to seek out his wife To George s dismay and overwhelming grief however he sees a newspaper notice of the death of his wife only a few days prior to his return A year later when visiting Audley s relatives and after catching a glimpse of the pretty new wife of Robert s uncle George goes missing Robert becomes increasingly convinced that his friend has met with violence and is dead and begins to investigate What he discovers fills him with despair This book is part of the Standard Ebooks project which produces free public domain ebooks Lady Audley's Secret Mary Elizabeth Braddon,2019-03-18 Bigamy child abandonment deception theft murder and insanity all take part of Mary Elizabeth Braddon s novel Her over the top drama was one of the most popular novels of the mid 1800s and provides an interesting portrayal of both class and gender issues as they intersect within the domestic sphere Ancient Gospel or Modern Forgery? Tony Burke,2013-01-07 In 1958 American historian of religion Morton Smith made an astounding discovery in the Mar Saba monastery in Jerusalem Copied into the back of a seventeenth century book was a lost letter attributed to Clement of Alexandria ca 150 215 CE that contained excerpts from a longer version of the Gospel of Mark written by Mark himself and circulating in Alexandria Egypt More than fifty years after its discovery the origins of this Secret Gospel of Mark remain contentious Some consider it an authentic witness to an early form of Mark perhaps even predating canonical Mark Some claim it is a medieval or premodern forgery created by a monastic scribe And others argue it is a forgery created by Morton Smith himself All these positions are addressed in the papers contained in this volume Nine North American scholars internationally recognized for their contributions to the study of Secret Mark met at York University in Toronto Canada in April 2011 to examine recent developments in scholarship on the gospel and the letter in which it is found Their results represent a substantial step forward in determining the origins of this mysterious and controversial text List of Contributors
