The Law Of White Spaces:

The Law of White Spaces Giorgio Pressburger, 1994-09-01 *Interdisciplinarity and Social Justice* Joe Parker, Ranu Samantrai, Mary Romero, 2012-02-01 In the 1960s and 1970s activists who focused on the academy as a key site for fostering social change began by querying the assumptions of the traditional disciplines and transforming their curricula putting into place women's and ethnic studies programs that changed both the subject and methods of scholarship The pattern of scholars and activists joining forces to open fields of research and teaching continued in subsequent decades and recent additions including critical race studies queer studies cultural studies and postcolonial studies take as their epistemological foundation the inherently political nature of all knowledge production Interdisciplinarity and Social Justice seizes this opportune moment in the history of interdisciplinary fields to review their effects on our intellectual and political landscape to evaluate their ability to deliver promised social benefits and to consider their futures The essays collected in this volume detail histories of the interdisciplinary fields that emerged from social movements examine how effectively they have achieved their goals of intellectual and social change and consider the challenges they now face inside and outside the academy

White Space, Black Hood Sheryll Cashin, 2021-09-14 A 2021 C Wright Mills Award Finalist Shows how government created ghettos and affluent white space and entrenched a system of American residential caste that is the linchpin of US inequality and issues a call for abolition The iconic Black hood like slavery and Jim Crow is a peculiar American institution animated by the ideology of white supremacy Politicians and people of all colors propagated ghetto myths to justify racist policies that concentrated poverty in the hood and created high opportunity white spaces In *White Space Black Hood* Sheryll Cashin traces the history of anti Black residential caste boundary maintenance opportunity hoarding and stereotype driven surveillance and unpacks its current legacy so we can begin the work to dismantle the structures and policies that undermine Black lives Drawing on nearly 2 decades of research in cities including Baltimore St Louis Chicago New York and Cleveland Cashin traces the processes of residential caste as it relates to housing policing schools and transportation She contends that geography is now central to American caste Poverty free havens and poverty dense hoods would not exist if the state had not designed constructed and maintained this physical racial order Cashin calls for abolition of these state sanctioned processes The ultimate goal is to change the lens through which society sees residents of poor Black neighborhoods from presumed thug to presumed citizen and to transform the relationship of the state with these neighborhoods from punitive to caring She calls for investment in a new infrastructure of opportunity in poor Black neighborhoods including richly resourced schools and neighborhood centers public transit Peacemaker Fellowships universal basic incomes housing choice vouchers for residents and mandatory inclusive housing elsewhere Deeply researched and sharply written *White Space Black Hood* is a call to action for repairing what white supremacy still breaks Includes historical photos maps and charts that illuminate the history of residential segregation as an institution and a tactic of racial

oppression Beer and Racism Chapman, Nathaniel, Brunsma, David, 2020-10-14 Beer in the United States has always been bound up with race racism and the construction of white institutions and identities Given the very quick rise of craft beer as well as the myopic scholarly focus on economic and historical trends in the field there is an urgent need to take stock of the intersectional inequalities that such realities gloss over This unique book carves a much needed critical and interdisciplinary path to examine and understand the racial dynamics in the craft beer industry and the popular consumption of beer **The Journal of Jurisprudence** ,1876 The Revised Statutes of the Province of Quebec, 1925 Québec (Province),1925 **The Works of John Ruskin: The Bible of Amiens.
