O'Quinn, 2013 Through thoughtful analysis of girls historical literacy experiences their contemporary reading and writing lives and trends in young adult literature this book sheds new light on how teachers can better understand and create classroom experiences that make girls visible both to themselves and to others Historically the status of girls has evoked much less research than that of boys Recently emerging scholastic and strategic study concerning the vulnerability of girls is adding a vital missing component to this continually emerging discourse Looking at many aspects of girls gendered lives this text considers the specific perspectives of the social and cultural constructions that script gender particularly as they apply to girls in our classrooms Prominent scholars in their respective fields examine the myriad forces that shape the lives of American girls from the earliest didactic records of manuals and books of conduct to current artifacts of contemporary culture By investigating both the scholarly literature on girls as well as the primary sources of a material culture the authors seek to unravel how adolescent girls learn and seek to compose identities By closely examining girls practices in which are embedded issues of class race ethnicity immigrant status and sexuality the text considers some of the values structures and trajectories that have come to define teenage girlhood Its distinctive contribution is to unpack some of the assumptions of girls in English classrooms and to critically examine their experiences as they try to fit preconceived norms while forming their own

personhood Provided by publisher **The Novel, Who Needs It?** Joseph Epstein, 2023-07-18 In this brief but highly engaging book Joseph Epstein argues for the primacy of fiction and specifically of the novel among all intellectual endeavors that seek to describe the behavior of human beings Reading superior fiction he holds arouses the mind in a way that nothing else quite does He shows how the novel at its best operates above the level of ideas in favor of taking up the truths of the heart No other form probes so deeply into that eternal mystery of mysteries human nature than does the novel Along the way Epstein recounts how we read fiction differently than much else we read He sets out how memory works differently in the reading of fiction than in that of other works He notes that certain novels are best read at certain ages and suggests that novels like movies might do well to carry ratings with some novels best read no later than one's early twenties others not to be read before the age of forty The knowledge one acquires from reading novels differs from all other kinds of knowledge for the subject of all superior fiction is human existence itself in all its variousness and often humbling confusion The spirit of the novel entails questioning much that others consider home truths This is demonstrated by the fact that so many important philosophers social scientists jurists and other intellectuals have been devoted readers of fiction among them Oliver Wendell Holmes Jr Michael Oakeshott Edward Shils and Clifford Geertz The Novel Who Needs It takes up those current elements in the culture that militate against the production of first rate fiction Prominent among them are the rise of online reading the expansion of creative writing programs the artistically discouraging effects of political correctness and the pervasiveness of therapeutic thinking throughout contemporary culture As for the title The Novel Who Needs It Joseph Epstein's answer is that we all do **Skim** Mariko Tamaki, 2014-04-29 A New York Times Book Review choice as one of the 10 Best Illustrated Children's Books of 2008 Skim is Kimberly Keiko Cameron a not slim would be Wiccan goth stuck in a private girls school in Toronto When a classmate's boyfriend kills himself because he was rumoured to be gay the school goes into mourning overdrive each clique trying to find something to hold on to and something to believe in It's a weird time to fall in love but that's high school and that's what happens to Skim when she starts to meet in secret with her neo hippie English teacher Ms Archer But when Ms Archer abruptly leaves Skim struggles to cope with her confusion and isolation armed with her trusty journal and a desire to shed old friendships while cautiously approaching new ones Depression love sexual identity crushes manipulative peers teen life in all its dramatic complexities is explored in this touching pitch perfect literary graphic masterpiece Cousins Mariko and Jillian Tamaki collaborate brilliantly in this poignant glimpse into the heartache of being sixteen Correlates to the Common Core State Standards in English Language Arts CCSS ELA LITERACY RL 5 7 Analyze how visual and multimedia elements contribute to the meaning tone or beauty of a text e g graphic novel multimedia presentation of fiction folktale myth poem CCSS ELA LITERACY RL 6 3 Describe how a particular story's or drama's plot unfolds in a series of episodes as well as how the characters respond or change as the plot moves toward a resolution CCSS ELA LITERACY RL 6 6 Explain how an author develops the point of view of the narrator or speaker in a text *Teaching Comics*
