Conversation with Spinoza Goce Smilevski, 2006-05-12 Prizing ideas above all else radical thinker Baruch Spinoza left little behind in the way of personal facts and furnishings But what of the tug of necessity the urgings of the flesh to which this genius philosopher and grinder of lenses might have been no more immune than the next man or the next character as Baruch Spinoza becomes in this intriguing novel by the remarkable young Macedonian author Goce Smilevski Smilevski's novel brings the thinker Spinoza and his inner life into conversation with the outer all too real facts of his life and his day from his connection to the Jewish community of Amsterdam his excommunication in 1656 and the emergence of his philosophical system to his troubling feelings for his fourteen year old Latin teacher Clara Maria van den Enden and later his disciple Johannes Casearius From this conversation there emerges a compelling and complex portrait of the life of an idea and of a man who tries to live that idea

**Angel Riding a Beast**, 1998 The poems in Angel Riding a Beast are the stunning expression of the Romanian poet Liliana Ursu's years in America The sadness and paradoxes of exile and the clarity of a cross cultural awareness become for Ursu the psychological and descriptive framework for poems infused with the emotion and images of erotic longing and spiritual loneliness The combination of elegy and wit in the poems of Ovid the poet of exile with whom Ursu claims kinship is evident in her poetry as well Always conscious of both her new American freedom and the remorselessness of time and death Ursu explores the American landscape through the sad aura of those coming from Eastern Europe as if from some kind of inferno She displays remarkable insight into America's often formless and shallow society of consumers and yet her newly Americanized vision also allows her to reimagine and reevaluate her life and her country The alienating repression of recent Romanian history has led Romanian poets with Ursu as a source of inspiration for their almost violent intensity of language to resist and penetrate all boundaries and limits whether political ideological or aesthetic The sympathy of her cultural observations and the physicality of her poetic images and the desires that inform them give Ursu's poems an affecting and universal perspective in which desperate experience and places coalesce in a singular human landscape      **Short Story**
