Blackfoot Tales from Apikuni's World James Willard Schultz, David C. Andrews, 2017-08-16 At the turn of the twentieth century James Willard Schultz wrote a series of tales centering on the adventures of a Blackfoot Indian boy and his Anglo friend in the days just prior to the end of the buffalo era on the western plains All the tales appeared between 1910 and 1927 in the pages of the popular family weekly The Youth's Companion The stories featured the sort of spirited adventure popular at the time but Schultz was more conscientious than other writers of the day in his depiction of American Indian life Schultz first encountered the Blackfeet in Montana Territory in 1877 when he was seventeen and he lived among them for the next

seventy years until his death These tales are based on his experiences with the Blackfeet who gave him the name Apikuni Apikuni plays a role in many of the stories usually under the name Spotted Robe Although he was neither a historian nor an ethnologist Schultz filled his stories with history and with detailed descriptions of the Blackfoot daily life and culture David C Andrews has gathered these tales the last of Schultz s to be published in book form and arranged in the order in which they were written

Boys Book of Frontier Fighters Lily F. Wesselhoeft, 2022-12-30 Excerpt The BOYS BOOK OF INDIAN WARRIORS told of the deeds by the red Americans in defense of their lives and to keep their homes. This second book tells of the deeds by the white Americans in defense of their lives and also to clear the way for their homes. It commences with the pioneers and hunters in the East and continues on to the frontiersmen and soldiers in the West. These are stories of bravery and of pluck amidst great odds. In many of the stories, victory was won by the aid of powder ball and steel used manfully. In others, it was won by sheer nerve and wit alone. For a good fighter fights with his heart and head as fully as with his hands. Americans have always been great fighters when called upon to fight in self defense. They never quit until they are killed or triumphant and although many may be killed, those they leave press forward again. In France, the Americans never gave up an inch. We Americans of today looking back may be proud not only of the part played by our blood in the World War but likewise of the part it played in the days when rifle in hand we were hewing the peace trail in our own country. Clothes do not make the soldier. Whether in buckskin, wool, cotton gown or army uniform, those men and women, yes and boys and girls of frontier times in the forest and upon the plains and prairies were soldiers all enlisted to face danger. It is largely the quick, dauntless spirit inherited from the American pioneers, hunters and Indian fighters of the old days that shone so brightly in the recent days when in record time we raised a gallant army of fighters at home and abroad against a desperate enemy. **Taos Tales**

Elsie Clews Parsons, 2012-06-14 DIV. Nearly 100 tales offer an unparalleled glimpse into the beliefs, culture of Pueblo Indians. Stalking the Healthful Herbs Euell Gibbons, 2020-03-23 Having written the enormously popular *Stalking the Wild Asparagus* and *Stalking the Blue Eyed Scallop*, Euell Gibbons turned his attention to the wealth of herbs that grow wild throughout North America. Combining the skills he learned as a boy with Indian lore and his years of patient experimentation, he wrote this book that others might enjoy the benefits of our little known natural heritage. Euell Gibbons shows the reader how to enjoy the culinary and medicinal virtues of herbs and wild plants. Drawn from the author's wide knowledge of plants as well as from the lore of Native Americans and early settlers, the information is supplemented by nutritionists at

Pennsylvania State University who worked with Gibbons on analysis of the entries **Bulletin of the Public Museum of the City of Milwaukee** Milwaukee Public Museum, 1917 **Our Knowledge Is Not Primitive** Wendy Makoons

Geniusz, 2022-12-05 Traditional Anishinaabe Ojibwe or Chippewa knowledge like the knowledge systems of indigenous peoples around the world has long been collected and presented by researchers who were not a part of the culture they observed. The result is a colonized version of the knowledge, one that is distorted and trivialized by an ill-suited Eurocentric paradigm of scientific investigation and classification. In *Our Knowledge Is Not Primitive*, Wendy Makoons Geniusz contrasts the way in which Anishinaabe botanical knowledge is presented in the academic record with how it is preserved in Anishinaabe culture. In doing so, she seeks to open a dialogue between the two communities to discuss methods for decolonizing existing texts and to develop innovative approaches for conducting more culturally meaningful research in the future. As an Anishinaabe who grew up in a household practicing traditional medicine and who went on to become a scholar of American Indian studies and the Ojibwe language, Geniusz possesses the authority of someone with a foot firmly planted in each world. Her unique ability to navigate both indigenous and scientific perspectives makes this book an invaluable contribution to the field of Native American studies and enriches our understanding of the Anishinaabe and other native communities.

Hearts & Collars Dan & Dawn Williams, When we started our power exchange relationship, we didn't have many models for it. We didn't know people who practiced authority transfer. We both came into it with emotional burdens and trauma. And in spite of that, we were able to consciously design a power exchange relationship that helps us both grow, brings us closer, emotionally helps us heal some of those hurts, and fulfills our deep desires. The tools we share in this book are ones that have worked for us over the last twenty years. We hope some of them will help you avoid pitfalls we stumbled into. Some of them may be right for you or for your partner(s) and some of them may not. Like going clothes shopping, we invite you to try everything on and if it doesn't fit, leave it on the rack. If there's one thing we hope you take away from this book, it's this: whoever you are, whatever you've been through, you have the ability to reflect and grow and become the person you want to be. Although it does take work, unflinching honesty with yourself and compatible partner(s) makes it possible to create relationships that hold you up and help you thrive. We did it. So can you. Dan and Dawn began their power exchange relationship in 2001. Since then, they have presented at hundreds of events, co-authored five books, and hosted over six hundred episodes of the *Erotic Awakenings* podcast. They were part of the team that created the Columbus Space, and they have served as co-producers of PXS Power eXchange Summit and BTL Beyond the Love a Polyamory Summit. Dan and Dawn have been recognized as MAsT International Member's Choice Presenters of the Year 2016, Great Lakes title holders 2010, and as featured educators on both Kink Academy and Creative Sexuality.
