This Handbook of Poetic Forms aims to offer historically informed approaches to a wide variety of poetic forms A particular emphasis will be on considering poetic form in dialogue with the cultural context in which it is being used as well as within the literary tradition of each form and to explore the stable as well as the historically variable affordances of each form in such contexts Hereby the focus lies on prescriptive forms that is on poetic forms which are defined by or at least associated with specific metrical stanzaic or overall structures or the absence of such rather than poetic genres that are primarily characterised by similarities in subject matter like the elegy or the ode While this Handbook should be accessible to students its aim is not to offer basic introductions but rather to broaden a historical and functional understanding of the poetic forms it covers and to engage with poetic forms not as givens but as historically contingent processes of formation Above all this Handbook's formalism is new formalist in emphasising historical awareness and contextualisation *Trespass* D. Taylor, 2015-07-28 A wanderer struggles to understand his uncle's downfall six years after a financial catastrophe George Chell has never met a man as witty as charming or as brilliant as his uncle Edward Chell was a financial titan ruling over a kingdom of profit with an emperor's savage grace until a stock market crash revealed that everything he had was built on sand It destroyed both empire and emperor in one fell swoop and nephew George was cast out into the world in the aftermath For six years he has wandered Britain staying in grubby hotels and trying as hard as he can to forget his uncle But

when an article in the Financial Times reminds him of all he has lost George has no choice but to confront the past in an attempt to understand the disaster that upended his life Raised in the provincial backwater of a Norwich council flat George was dazzled by the bright lights of the London financial world but to save himself he will have to look at that world with new eyes
