Sleeping Beauty Peepshow:

The Peepshow Kate Summerscale, 2025-05-06 Named a Best Book of 2024 by FT Nominated for the Women's prize for nonfiction From the Edgar Award winning author of *The Haunting of Alma Fielding* the tale of two journalists competing to solve the notorious Christie murders in postwar London In March 1953 London police discovered the bodies of three young women hidden in a wall at 10 Rillington Place a dingy rowhouse in Notting Hill On searching the building they found another body beneath the floorboards then an array of human bones in the garden They launched a nationwide manhunt for the tenant of the ground floor apartment a softly spoken former policeman named Reg Christie But they had already investigated a double murder at 10 Rillington Place three years before and the killer was hanged Did they get the wrong man The story was an instant sensation The star reporter Harry Procter chased after the scoop on Christie The eminent crime writer Fryn Tennyson Jesse begged her editor to let her cover the case To Harry and Fryn Christie seemed a new kind of murderer he was vacant impersonal a creature of a brutish postwar world Christie liked to watch women they discovered and he liked to kill them They realized that he might also have engineered a terrible miscarriage of justice In this riveting true story Kate Summerscale mines the archives to uncover the lives of Christie's victims the tabloid frenzy that their deaths inspired and the truth about what happened inside the house What she finds sheds fascinating light on the origins of our fixation with true crime and suggests a new solution to one of the most notorious cases of the century The Sleeping Beauty, 1947

Sleeping Prince Stephanie Van Orman, 2025-08-25 Welcome to Sleeping Beauty Inc Book 1 Rose Red You shouldn't buy a girl At least that was what Harrison thought when he stepped through the doors of Sleeping Beauty Inc He didn't want to buy anyone but he was in a tough spot Completely out of options Harrison buys Paige the cheapest model on sale at Sleeping Beauty Inc The client coordinator warned him against it Paige's memory was damaged During the time she was the possession of another man she could have done anything And someone might want her back Book 2 *Sleeping Prince* Try not to let a girl buy you Gage is a solarship pilot who ferries Sleeping Beauty Inc models between the moons of Jupiter His favorite model to transport is Iona but he tries not to let it show until she has a contract for him She wants to schedule some romantic time with him while she searches for a new rich buyer Except Gage is nobody's toy and the men Iona is scouting are not easy Join Gage and Iona as they travel the moons of Jupiter and try not to fall in love themselves **Decadent**

daughters and monstrous mothers Rebecca Munford, 2015-11-01 *Decadent daughters and monstrous mothers* interrogates the vexed question of Angela Carter's feminist politics through the dusty lens of European Gothic It illuminates her ambivalent relation to some of her most contentious European literary forebears reveals her rich knowledge of French literature and offers fresh insights into her literary practices afforded by newly available archival material This book analyses Carter's textual engagements with a dirty lineage of European Gothic that can be mapped from the Marquis de Sade's obsession with desecration and defilement through Baudelaire's perverse decompositions of the muse and decadent

imaginings of infernal femininity to surrealism's violent dreams of abjection. It argues that Carter's most troublesome engagements with her European Gothic forefathers are unexpectedly those which are most vital to a consideration of her feminist politics. Decadent daughters and monstrous mothers will be of interest to researchers and students working on contemporary women's writing of the Gothic and comparative literature. [Heritage Rare Books & Manuscripts Auction Final Session # 683](#), [As We Were - A Victorian Peep Show](#) E. F. Benson, 2025-02-01T00:00:00Z. First published in 1930. A charming memoir of the high Victorian into Edwardian epoch. Benson writes from the perspective of the son of an Archbishop of Canterbury moving in elite circles since his adolescence and also his successful career as a novelist. He aims to give a flavour of what the era felt like to him experiencing it. Chapters cover different facets from aristocratic pursuits, literary life, politics, and art. There are lots of amusing personal anecdotes and gossip. *From Peep Show to Palace* David Robinson, 1996. On history of American film. *The Sleeping Beauty* Charles Perrault, 1950. *Binding Space: The Book as Spatial Practice* Marian Macken, 2018-04-17. Books orient, intrigue, provoke, and direct the reader while editing, interpreting, encapsulating, constructing, and revealing architectural representation. *Binding Space: The Book as Spatial Practice* explores the role of the book form within the realm of architectural representation. It proposes the book itself as another three-dimensional, complementary architectural representation with a generational and propositional role within the design process. Artists' books, in particular, that is a book made as an original work of art with an artist, designer, or architect as author, have certain qualities and characteristics quite different from the conventional presentation and documentation of architecture. Paginal sequentiality, the structure and objecthood of the book, and the act of reading create possibilities for the book as a site for architectural imagining and discourse. In this way, the form of the book affects how the architectural work is conceived, constructed, and read. In five main sections, *Binding Space* examines the relationships between the drawing, the building, and the book. It proposes thinking through the book as a form of spatial practice, one in which the book is cast as object, outcome, process, and tool. Through the book, we read spatial practice anew. **The Library of Congress Author Catalog** Library of Congress, 1953.
