Private and Domestic Devotion in Early Modern Britain Alec Ryrie,2016-04-15 Scholars increasingly recognise that understanding the history of religion means understanding worship and devotion as well as doctrines and polemics Early modern Christianity consisted of its lived experience This collection and its companion volume *Worship and the Parish Church in Early Modern Britain* ed Natalie Mears and Alec Ryrie bring together an interdisciplinary range of scholars to discuss what that lived experience comprised and what it meant Private and domestic devotion how early modern men and women practised their religion when they were not in church is a vital and largely hidden subject Here historical literary and theological scholars examine piety of conformist non conformist and Catholic early modern Christians in a range of private and domestic settings in both England and Scotland The subjects under analysis include Bible reading the composition of prayers the use of the psalms the use of physical props for prayers the pious interpretation of dreams and the troubling question of what counted as religious solitude The collection as a whole broadens and deepens our understanding of the patterns of early modern devotion and of their meanings for early modern culture as a whole

LETTER FROM HELL DR. PAUL CRAWFORD,2025-09-01 A Letter from Hell Some stories are whispered across pulpits tucked away in sermons and passed along like cautionary tales They unsettle us because they strike too close to home This is one of those stories not of strangers in some faraway land but of neighbors friends family People we laugh with share meals with wave to across the fence People whose eternity hangs in the balance while we say nothing This book is not written to entertain but to awaken It is a parable wrapped in flesh a reminder that the

greatest tragedy is not what happens in life but what happens after it Eternity is real Heaven is real And so is hell The words you are about to read are framed around a fictional letter but its cry is real the eternal regret of a soul lost without Christ It echoes the truth of Scripture the rich man who lifted up his eyes in torment and begged that someone warn his brothers Luke 16 27 28 It is a story of friendship silence and the terrible cost of missed opportunities But more than that it is a story of redemption It is about one man who chose to let his regret become fuel for obedience It is about how God can take even our greatest failures and turn them into a testimony of grace Perhaps you will see yourself in these pages Perhaps you too have a neighbor a coworker a family member you've never spoken to about Christ Perhaps you've convinced yourself there will always be time This story is here to shake that illusion A Letter from Hell is more than a novel it is a plea A plea not from the author but from eternity itself Do all you can for the souls of men lest they be cast in hell with me The letter has been written The cry has been heard The question is what will you do with it

The sheer power of your love extends beyond the pages of this book. Excerpt from the Foreward by Meredith Mullins, Author of the award winning book *In a Paris Moment* **Gita Today** BRIJ MOHAN, 2019-11-04. Gita needs no introduction. The whole great Vedic civilization of Indians are known and related to the philosophy enumerated by this book. The sermon of Bhagwan Krishna to grief stricken Arjun was told in the battlefield where two armies were standing to start the battle. Since birth every person starts his fight; one may call this as action or living. But it is a form of fight where we are not alone to live; to act we are always with our opponent, offering resistance to us. The battle might get over due to our abandoning the fight, but the cause remains alive, kicking us in our brain, creating a violent environment, converting us into a person with ever agitating, complaining mind and intellect. The non-violence wrapped under the cowardice is more dangerous than the demonstrated violence. Throughout the teachings of Gita, we can notice the tone of universalism in suggesting self-elevation for all, irrespective of caste, creed, and education level of holy texts Vedas and Upanishads. Teachings of Gita have broken all those misgivings of a common man. One can also practice meditation by learning the knowledge of truth and can identify SELF as different from the material body. Uniqueness in teachings of Gita is its direct approach to a common man. It suggests a direct relationship and communication between Man and God. In Gita, Bhagwan Krishna dwells upon the wisdom about reality as well as a practical way of living day to day life and improving our SELF. While reading Gita, we would learn Bhagwan Krishna discoursing on the most secret and sacred knowledge, and now here we are learning the tips for our better behaviour and conduct. I wish and pray for the readers a purposeful and happy life. Kindly accept my regards to read Gita for your all-round growth and self-elevation. With due respect and regards to all the schools of thought, I would like to draw inference from their interpretations to make it purposeful and a learning experience. The objective of my writing this book is to start a thinking process amongst us, the useful and relevant message to improve our day to day life with the blessings of Mother Gita. **Practical Reflections on Every Verse of the New Testament**, 1889 **Poetry's Touch** William

Waters, 2018-05-31. To whom does a poem speak? Do poems really communicate with those they address? Is reading poems like overhearing? Like intimate conversation? Like performing a script? William Waters pursues these questions by closely reading a selection of poems that say you to a human being, to the reader, to the beloved, or to the dead. In any account of reading lyric poetry, Waters argues, there will be places where the participant roles of speaker, intended hearer, and bystander melt together, or away these are moments of wonder. Looking both at poetry's you and at how readers encounter it, Waters asserts that poetic address shows literature pressing for a close relation with those into whose hands it may fall. What is at stake for us as readers and critics is our ability to acknowledge the claims made on us by the works of art with which we engage. In second person poems, in a poem's touch, we may come to see why poetry matters to us and how we in turn come to feel answerable to it. Poetry's Touch takes as a central thread the poetry of Rainer Maria Rilke, a writer whose work is unusually

self conscious about poetic address The book also draws examples from a gamut of European and American poems ranging from archaic Greek inscriptions to Keats Dickinson and Ashbery *Cyclopedia of Sermon Outlines* Rev.
