*And Party Every Day* Larry Alan Harris, 2009 Now it can be told The true behind the scenes story of Casablanca Records from an eyewitness to the excess and insanity Casablanca was not a product of the 1970s it was the 1970s From 1974 to 1980 the landscape of American culture was a banquet of hedonism and self-indulgence and no person or company in that era of narcissism and druggy gluttony was more emblematic of the times than Casablanca Records and its magnetic founder Neil Bogart *And Party Every Day* is a frontline look at the record label that exploded onto the 1970s music scene rising faster burning brighter and crashing in a more spectacular fashion than any other label in history From Bogart's daring first signing the positively pyrotechnic Kiss through the discovery and superstardom of Donna Summer and the Village People not to mention extraterrestrial funk master George Clinton and his circus of freaks Parliament Funkadelic to the descent into the manic world of disco and its attendant vices this book charts Bogart's meteoric success and eventual collapse under the weight of uncontrolled ego and hype A compelling tale of ambition greed excess and some of the era's most biggest music acts Written with great candour and humour by Larry Harris Casablanca's co-founder and former senior vice president and managing director *And Party Every*

Day is the only definitive and firsthand look at Casablanca's remarkable story and a breathtaking view of that great American era of extravagance. It includes dozens of never before seen photos and a complete discography. **Analytical**

**Therapeutics** Constantin Hering, 1875 *Analytical Therapeutics* Constantine Hering, 1875 *Analytical Repertory of the Symptoms of the Mind* Constantin Hering, 1881 *John Donne in the Time of COVID* Mary Ann Antley, 2022-11-30 In 1623

John Donne, dean of Saint Paul's Cathedral in London, suddenly fell ill of a pestilential illness. He took notes during this near-fatal illness and published them as *Devotions Upon Emergent Occasions* in 1624. It is in the context of devotional literature that this book has formerly been studied. If, however, the work is read with specific attention focused on the dynamics of Donne's psychological responses to a serious illness, it may be seen to be the powerful dramatic presentation of his struggle for emotional and spiritual survival following the disruption of a previously accepted value system. Our population today has experienced many of these feelings in facing illness, isolation, and death during the course of COVID-19. We are all Donne. He gives us a voice from four hundred years in the past. **The Boston Medical and Surgical Journal**, 1886 *American*

*Journal of Physiology*, 1923 Volumes for 1898, 1941, 1948-56 include the Society's proceedings, primarily abstracts of papers presented at the 10th, 53rd annual meetings, and the 1948-56 fall meetings. *A Will of His Own* Kelly Harland, 2007 This

collection of essays reveals the often contrasting mix of emotion that comes with raising a son with autism. Harland's stories explore the first nine years of her son's life and the new and unexpected universe she and her husband must learn to navigate with him. **The Railroad Trainman**, 1918 **Jurek Becker** Sander L. Gilman, 2003-12-15 In the first biography of this figure, Sander Gilman tells the story of Becker's life in five worlds: the Polish Jewish middle-class neighborhood where Becker was born, the Warsaw ghetto, and the concentration camps where Becker spent his childhood; the socialist order of the GDR, which Becker idealized, resisted, and finally was forced to leave; the isolated world of West Berlin where he settled down to continue his writing; and the new reunified Germany for which Becker served as both conscience and inspiration.

*History of the City of Memphis and Shelby County, Tennessee* John McLeod Keating, 1888 **Psychology for the Fighting Man** National Research Council, 2023-05-10 Unleash the power of the mind in the crucible of war. In the depths of World War II, a groundbreaking endeavor emerged to provide the average American soldier with an accessible glimpse into the realm empirically grounded scientific psychology. This transformative work, crafted with precision, aimed to empower every soldier who delved into its pages, unveiling the secrets to comprehending and harnessing their own intricate human responses, the elusive weaponry that holds the key to triumph on the battlefield. Prepare to revolutionize your understanding and utilization of the most enigmatic instrumentalities of war: the human mind. **Day After Night** Anita

Diamant, 2009-09-08 Just as she gave voice to the silent women of the Old Testament in *The Red Tent*, Anita Diamant creates a cast of breathtakingly vivid characters: young women who escaped to Israel from Nazi Europe. In this intensely dramatic novel, *Day After Night* is based on the extraordinary true story of the October 1945 rescue of more than two hundred

prisoners from the Atlit internment camp a prison for illegal immigrants run by the British military near the Mediterranean coast south of Haifa The story is told through the eyes of four young women at the camp with profoundly different stories All of them survived the Holocaust Shayndel a Polish Zionist Leonie a Parisian beauty Tedi a hidden Dutch Jew and Zorah a concentration camp survivor Haunted by unspeakable memories and losses afraid to begin to hope Shayndel Leonie Tedi and Zorah find salvation in the bonds of friendship and shared experience even as they confront the challenge of re creating themselves in a strange new country This is an unforgettable story of tragedy and redemption a novel that reimagines a moment in history with such stunning eloquence that we are haunted and moved by every devastating detail Day After Night is a triumphant work of fiction

**Blue-Eyed Boy** Robert Timberg, 2015-07-14 From journalist Robert Timberg a memoir of the struggle to reclaim his life after being severely burned as a Marine lieutenant in Vietnam In January 1967 Robert Timberg was a short timer counting down the days until his combat tour ended He had thirteen days to go when his vehicle struck a Viet Cong land mine resulting in third degree burns of his face and much of his body He survived barely then began the arduous battle back determined to build a new life and make it matter Remarkable as was his return to health he endured no less than thirty five operations perhaps more remarkable was his decision to reinvent himself as a journalist one of the most public of professions Blue Eyed Boy is a gripping occasionally comic account of what it took for an ambitious man aware of his frightful appearance but hungry for meaning and accomplishment to master a new craft amid the pitying stares and shocked reactions of many he encountered on a daily basis Timberg was at the top of his game as White House correspondent for The Baltimore Sun when suddenly his work brought his life full circle the Iran Contra scandal broke At its heart were three fellow Naval Academy graduates and Vietnam era veterans Timberg s coverage of that story resulted in his first book The Nightingale s Song a powerful work of narrative nonfiction that follows the three academy graduates most deeply involved in Iran Contra Oliver North among them as well as two other well known Navy men John McCain and James Webb from the academy through Vietnam and into the Reagan years In Blue Eyed Boy Timberg relates how he came to know these five men and how their stories helped him understand the ways the Vietnam War and the furor that swirled around it continue to haunt the nation even now nearly four decades after its dismal conclusion Timberg is no saint and he has traveled a hard and often bitter road
