Tabitha needs four dominant Highlanders to protect her In 1876 something seems to have gone awry because four strong Highland hunters get bonded with the same cat at the annual Highland Fling Then they discover the cat is actually a lovely young woman called Tabitha who is cursed to transform into a Scottish Wildcat on a monthly basis And she finds out the four men are wolf shifters The men are instantly drawn to their beautiful spirited new bride and are eager to mate with her and claim her as their own But their match belies a deep problem with the spirits that watch over the village When stranger things begin to happen around them threatening everyone in the village can they find a way to solve the odd goings on with the spirit world This is not a serial but a series of standalones HEA guaranteed Publisher s Note This light hearted Scottish historical romance is a wolf shifter reverse harem There are elements of m nage power exchange paranormal with a little mad science and steamy sensual scenes If any of these offend you please do not purchase *The Amateur Photographer's Weekly* Juan C. is an attempt to share the best practices and strategies used by a few extraordinary people who convert their dreams into reality time and again This book is not a one size fits all goal setting book it s rather a focused intention to segregate giant goals from the minor ones and go all out to get them Tie Your Camel is almost a workbook that offers simple and proven steps to discover your GIANT GOALS that align with your personality and unveils the most inspiring ways to execute them
